COACHING QUOTES ..

Game 3 : May 20

Ron Fraser (Miami) --

"That's our kind of ballgame. After last night we loosened-up and played our kind of game."

"We have to bunt and steal like we have all year -- that makes the guys feel more confident in themselves."

"We never had to play catch-up like we did last night, we're not used to that."

"It's great to beat beat Florida State. Of course we like to play them and beat them. We know they have a better team than they showed today."

"We got to them early and jumped on Brooks Carey putting pressure on him and the whole team."

"I don't know who we will pitch tomorrow. I'll just have to wait and see who wins tonight's game and then I will talk to my pitching coach (Skip Bertman) and we'll decide. But it will most likely be (Tony) Vila or Mark Batten."

Woody Woodward (Florida State) --

"We are a better ball club than we showed here in Miami. We played very poor baseball here."

"It has, however, been a good year for Florida State baseball. ~~However~~ Not many people thought after losing 10 players in the draft that Florida State would make it to the NCAA Regionals. ~~It~~ We have a young ball club and we are very proud of what they accomplished this season."
