COACHING QUOTES

## FLORIDA STATE (Coach Mike Martin)

Rich (Hatcher) has been pitching real well for us all year.

He just pitched a super ballgame. He has established himself as our stopper.

Fuentes' catches in the game were certainly big.

Huff stealing home, even though they called it a balk was also real big.

It was a lot nicer to go in to the ninth with a four run lead than a two run lead.

## FLORIDA (Coach Jay Bergman)

We felt that if we held them to three or four runs then we could win. Larry Mizell did his job, we just couldn't hit the ball well enough to win the ballgame.

I don't think we were tired and it would just be an excuse to say they had trouble coming down from the SEC tournament.

We hit the ball hard to the outfield several times and they were caught. That's to Florida State's credit.

We're not out of it. One game doesn't make or break a tournament. That's why it's double elimination. Today we just couldn't hit the ball between somebody and Hatcher pitched an excellent ballgame.
