OKLAHOMA VS. FLORIDA STATE (Coaches Quotes)

MIKE MARTIN--FLORIDA STATE UNIVERSITY:

"This was a very disappointing loss for us. We let them get ahead of us early by making most physical and mental errors and yet we battled back to tie the score. We had our chances to win it but it just didn't work that way for us. I don't what to say except that's baseball. I can't be really upset. We had our chances but an error on their part allowed us to get back into this game.

"I want to say one thing. I am very proud of these young men who played baseball for Florida State. I am proud that they were able to win 56 games with one of the toughest schedules in the country and I am proud and thankful that I have had the opportuni to coach these players.

ENOS SEMORE -- OKLAHOMA

(On the pop ply that resulted in four runs for Florida State in the fifth inning)

"Both infielders lost it in the sun. Our centerfielder thought that Bates had called for it. He should have taken charge and made the play."

"We made too many baserunning mistakes again this afternoon. But if we don't botch that pop fly we win easily.

I brought in Maschino strictly because they had left handed hitters coming up.

DAVID MASCHINO-- OU pitcher

" I wasn;t nervous. I tried to keep the ba-l in on the fists of the two hitters I faced. It worked. I've been wanting to pitch for a long time but just haven't had the opportunity. Today i did."
