QUOTES ____

FLORIDA STATE COACH MIKE MARTIN

"Well I can tell you that it was just too much Ricky Browne for us tonight. He pitched a fantastic game. Actually, I'm not sure we would have gotten to them if it weren't for the crowd. They literally got us going tonight. They got behind us and got our kids so pumped up that we made a run at them.

I was really proud of our people. They were down 6-0 to a guy that was just pitching one heck of a ballgame and they went out there and ~~x~~ got us back in it. They battled right to the last out and I like that. You've got to give Alabama credit. They did a great job tonight.

(Note -- Martin ~~xxx~~ said he would pitch Steve Gelmaine against Miami and if FSU wins he is leaning toward Tony Blassucci in game 6).
