Bobby Kilpatrick
Memphis State Coach

"Brady did a good job tonight for Florida State. His ball was sinking and he had the good curve ball...Keller is tough. He's always been tough for them... We didn't get the good pitching early on tonight. Our kids played hard under the circumstances...I'd have to say that FSU is the favorite to win this tournament...There's no real pressure on Florida State. They already have a bid to the tournament. They gave 100 percent, but they played relaxed...Florida State does an excellent job of answering with some runs after the other team has made a run."

Mike Martin
Florida State Coach

"This was a big win for us going into the Southern Miss game. We're going to play the hottest team in the tournament. It will be a real challenge to our team.

"Clyde was not as sharp as he's been in past weeks. He's such a great competitor. Tonight, his stuff was average as he just hung in there. We were a little concerned, when he had no feeling in his pinky finger. He'll be checked out tonight and I think he'll be alright.

"After arriving in Columbia on Monday, we've stayed busy. We practiced all week and I think we were sharp. We didn't make an error all night.
