COACHING QUOTES FROM USM-FSU GAME--5/19/89

USM COACH HILL DENSON: "You just can't let a team of Florida State's calibre get that far ahead. It allows them to do so much with their running game, to put so much pressure on your defense.

"We were hoping that Rapp (Pat) would be able to come back and throw a strong game for us tonight. He did that at Virginia Tech last weekend, but they (FSU) hit those home runs, put us behind and we just never recovered.

"We got behind 8-0, but then got some momentum back with Chad Hebert's grand slam home run that probably surprised everyone in the park. But he's a gritty kid, and if you would expect any of our players to do that, it would be him.

"We'll just chalk this one up as a bad outing, let it go at that, and come back strong tomorrow morning at 11.

"We still have Gilligan (John) ready to go tomorrow and if we can get a good out out of him we'll be in pretty good shape pitchingwise because Rapp didn't go long enough tonight to hurt, and he'll be able to come back Sunday if we should need him.

"They've done a good job against Cooley thus far this tournament, but he's the type player who could come back tomorrow and hit two or three out of the park."

FSU HEAD COACH MIKE MARTIN: "Southern Miss jsut keeps coming at you. We had one inning like we haven't had all year. I'm so proud of Brad Gregory. He threw four pitches that were right on the corner in that inning that were called balls. It's rough when you make quality pitches that just miss. Tim Nedin then came in and took control of the game. Southern Miss had the momentum and he came in and shut the door. Tim came in and got out of the inning. "

"I was so pleased with the hitting of Brad Parker. The guy can hit with anybody in the college game. His bat speed is as fast as any player we've had at FSU. On the ball he hit out of the park, he just tried to hit the ball hard. He's capable of hitting a mistake 400 feet."

Martin said either Gary Painter (RHP) or Gar Finnvoid (RHP) will pitch in the 3:00 game on Saturday.
