Rider Head Coach Sonny Pittaro

"Too bad we don't play two-inning ball games. I knew Keller gets better as the game goes on and he did. We were hoping to get to him early which we did., but it wasn't enough.

"The pickoff play was a very important play, Coddington was at the plate with a 3-0 count and had ben hitting the ball well. It's unfortunate he was picked off.

"I knew FSU would score some runs. I just hoped Brian could keep us in it.

Florida State Head Coach Mike Martin

"I am very pleased with this ball club. A lot of crazy happened out there, and we didn't panic. I was pleased with our poise. We did not play the kind of baseball we're going to have to play tomorrow against South Florida. We've had to make some changes without Marc Ronan in the outfield. I don't like to play without Marc, but we've got to move on.

"One of the keys to the game was Clyde's pickoff at second. That was a big play. It's nice to play bad and win. Clyde's location was not typicall Clyde Keller pitching. He hasn't thrown since Thrusday, it's been almost 8 days.

"In the fourth inning, Buddy got us going. Rocky Rau then came up with a two-strike single and got our fans back in the game. We've got to have that kind of timely hitting.
