Atlantic Coast Conference Baseball Tournament
Greenville, S.C. -- May 13, 1992

GAME 16 -- Clemson 11, Florida State 0

CLEMSON COACH BILL WILHELM

"It's unfortunate that we can't enjoy this one more. That was a good game on our part. Eleven runs, who would have ever thought it? That goes to show you again, you never know what you're going to see when you go to the ballpark. That was indeed a good one.

"Paxton Briley just went out there and pitched beautifully. That's what you call pitching. He just went out there and felt like he had his control and he had his three pitches. He just did a beautiful job for us."

On winning all five game against FSU this season: "I can't explain that. They are a really fine program. I felt like we were fortunate to have them at home first (for the regular-season series). Five in a row...that's just unbelievable. I used to say 'that's unbelievable' that much anymore, but damn if that doesn't come close to being unbelievable."

FLORIDA STATE COACH MIKE MARTIN

"I'll tell you, Clemson just had our number this year. It's just one of those things. I can't explain it. They just played outstanding baseball everytime we've played them. They got the hits when they needed them. It was just one of those years where everything they did was right. Not that we did anything wrong, they just have an outstanding team that had our number. It's a real credit to Bill Wilhelm and the outstanding job he's done at Clemson University. It just goes to show you that this is a heck of a league.

"I'm very proud of our guys and the way that they conducted themselves in a very tough situation. This ballgame is not going to have an effect on our Seminoles whatsoever. We know that we've got a lot of things to look forward to--certainly the (NCAA) regionals. And that's what we're shooting for right now.

"They do a great job of putting the ball in play. They don't strike out. As much as any team we've played this year, they do a great job of putting the ball in play. They put pressure on a team in a number of ways, but that is one of the way that is so impressive to me is that they're very difficult to strike out."
