TALLAHASSEE--The Florida State University Men's and Women's Cross Country teams competed in their first meet of the 1992 season this past Saturday at the Georgia State Invitational. The Lady Seminoles finished fifth as a team, while the men ran to an eighth place finish.

Head Coach Sue Addison was pleased with how both squads performed, yet realizes there is plenty of room for improvement. "The women ran very well against some top notch schools," Addison said. "The first meet is always a tough one."

"The men did not perform as well as we would have liked," Addison added. "They have been working real hard and can only improve."

Auburn took the women's team title with South Carolina claiming second. They were followed by Alabama and Georgia Tech with FSU only four points behind. Georgia Tech's men's team held the first place spot with Alabama, Auburn, South Carolina and Berry College rounding out the top five.

The Seminoles next travel to Jacksonville to compete in the North Florida Invitational on Saturday September 19.
