PRINCIPAL INDIVIDUAL PLAYS

List all scoring plays; also non-scoring plays (including punts) gaining 50 yards or more.

Under "type of play" indicate rush, pass, int.runback, punt runback, kickoff runback, punt or field goal. List tries-for-points as P.A.T. kick, P.A.T. rush or P.A.T. pass.

On pass play, give passer first, then receiver, and combined yardage of pass and run. Measure runbacks from goal line, if started in end zone. All other plays are measured from line of scrimmage.

Type of Play	Player or Players	Team	Yards	Scored?
Field Goal	Sheppard	F.S.U.	31	Yes
Punt Return	Renn	F.S.U.	51	No
Punt	Renn	F.S.U.	52	No

"	Bunch	"	54	No
Rushing	Nix	"	6	Yes
"	Logan	"	5	Yes
P.A.T. Kick	Wells	"	20	Yes
		"	20	Yes

CONDENSED RULES FOR RECORDING FOOTBALL STATISTICS*

(Originated by the N.C.A.A. Football Rules Committee's Sub-committee on Football Statistics)

(Continued from back of form 347-A)

SECTION 6—PUNTS.

Article 1: Punts are measured from the line of scrimmage to the point of ultimate advance, if the ball remains in the field of play or goes out of bounds. (Note — "Ultimate advance" is the point where ball goes out of bounds, is downed, or is recovered by the defense.

(Note — "Ultimate advance" of the punt shall be construed to include also any distance which a receiver of the punt may retreat toward his own goal before attempting to return up field. This interpretation gives greatest benefit to both the punter and the receiver, since excellence of the punt normally is responsible for retreat by the receiver. Thus "minus yards" should NOT be recorded under "punt returns.")

Article 2: When a punt goes over the goal line (a touchback), distance of the punt is measured from the line of scrimmage to the 20-yard line only, since this is the limit of the punt's value to the kicking team.

Article 3: If a receiver muffs a punt and the ball continues toward his goal line, the punt is measured to the point of recovery or ultimate advance, as defined above. If a receiver muffs a punt and the ball bounds back toward the kicker's goal, the punt is measured to the point of the muff (the point of ultimate advance), and the receiver is credited with a punt return and with the yards from the point of the muff to the point of recovery, regardless of which team recovers.

Article 4: A blocked punt is recorded as a "team" entry, and not charged against the individual kicker. Thus, in the case of a blocked punt which does not pass the line of scrimmage, enter the word "team" in lieu of kicker's name and charge one punt for NO yards, so the blocked punt is included under "Times Kicked" in team totals.

If the ball travels toward the kicker's goal and is recovered by the blocking team, the yardage is treated as a punt return by the player who blocked the kick. If the ball travels toward the kicker's goal and is recovered by the kicking team, the yardage is treated as a punt return by the player who blocked the kick—and the blocking team is charged with a fumble lost, except on fourth down.

SECTION 7 — KICK RETURNS.

Article 1: Only the number of punts and kickoffs which the receiving team actually attempts to return are included under kick returns. (Exception — Blocked kicks which travel toward the kicker's goal. See Article 4 of Section 6.)

Article 2: The return will be measured from the point where the returning player actually gains control of the ball to the point where the ball is declared dead, or is lost by fumble. There are no "minus yards" under kick returns (see note under Article 1 of Section 6).

Article 3: The return of an attempted field goal, which falls short and is returned by the defending team, is treated as a punt return.

SECTION 8 — FREE KICKS.

Free kicks are recorded as kickoffs if made from placement, and as punts if the ball is punted. The receiving player is credited with a kickoff return, or a punt return, respectively.

SECTION 9—GOALS FROM THE FIELD.

For the sake of uniformity in an area where considerable disagreement has existed, it is recommended that all news story and record reference to a successful field goal cite the yard line from which kicked, rather than the distance kicked, i.e., "field goal from 25-yard line," rather than "25-yard field goal."

Field goals are not recorded under punting.

SECTION 10—POINTS AFTER TOUCHDOWN.

Article 1: A player attempting a try-for-point-after-touchdown by kicking is not charged with an attempt when a bad pass from center or a fumble by the ball holder, precludes an opportunity to kick. Such an unsuccessful attempt is charged to the "team," rather than to any individual player. However, if the ball is momentarily fumbled and then kicked, an attempt is charged to the individual kicker, regardless of the success or failure of the effort.

Article 2: The try-for-point-after-touchdown is made while time is out and is not recorded as a play from scrimmage (rush, pass or kick).

When a try-for-point-after-touchdown is by forward passing, the passer is charged (under SCORING) with the attempt. If successful, the receiver is credited under SCORING with the conversion and points scored, and the passer is credited with a conversion under FORWARD PASSING.

SECTION 11 — SAFETIES.

No individual credit is recorded for any player on either team when a safety is scored. The team benefitting from the score is credited.

SECTION 12 — FUMBLES.

On any play terminated by a fumble, the yards involved to the point of recovery are credited or charged to the player who fumbled, regardless of which team recovers the fumble.

(Approved Ruling — On rushing play, ball carrier of Team A fumbles at the line of scrimmage and the ball travels 5 yards toward Team B goal line, before it is recovered by Team B. Player of Team A who fumbled is credited with rushing gain of 5 yards and Team A is charged with a fumble lost.)

* See the OFFICIAL FOOTBALL STATISTICIANS' MANUAL for complete rulings and interpretations.

Statement by Coach Bobby Dodd.

"WE'RE GLAD TO GET BACK INTO THE WIN COLUMN AGAIN.

"THIS WAS A WELL EARNED VICTORY TONIGHT OVER A GOOD, WELL COACHED FOOTBALL TEAM. FLORIDA STATE CAN HOLD ITS OWN WITH LOTS OF TEAMS IN OUR LEAGUE.

"I THOUGHT THAT SEVERAL OF OUR VETERANS PLAYED WELL, BUT I WAS MOST PLEASED WITH THE WAY OUR YOUNGSTERS -- GERALD BURCH, FRANK NIX, REGGIE LOGAN, TOMMY WELLS AND SOME OTHERS CAME THROUGH. WELLS SHOWED REAL POISE IN GETTING THE FIELD GOAL AND TWO CONVERSIONS THE FIRST OPPORTUNITY HE HAD TO GET IN A GAME.

"LOOKING AT OUR TEAM IN THE GAME OVER-ALL, I'D SAY THAT WE WERE VERY MEDIOCRE THE FIRST HALF BUT PLAYED GOOD FOOTBALL THE LAST TWO QUARTERS."

Statement by coach Tom Nugent:

"I'VE NEVER HAD A TEAM I'VE BEEN PROUDER OF. OUR BACKS DID A GOOD JOB BUT WE WERE EVEN ~~PRORER~~ PROUDER OF OUR MEN UP FRONT. AT TIMES THEY WERE OUTWEIGHED BY AS MUCH 30-40 POUNDS A MAN.

"TECH'S LINEMEN WERE TOUGH TO MOVE AND THEIR BACKS ALL WERE HARD RUNNERS. GEORGIA TECH WAS A GOOD FOOTBALL TEAM AND, AS A RESULT, I BELIEVE WE HAVE A GOOD TEAM. I COULDN'T BE HAPPIER ABOUT THE WAY OUR YOUNG FELLOWS SCRAPPED. WE DID OUR VERY BEST."
