QUOTES FROM HOUSTON COACH HAROLD LAHAR:

"FSU HAD A GOOD, HARD-HITTING TEAM BUT WE MADE FAR TOO MANY MISTAKES OFFENSIVELY. WE GAVE UP THE BALL AND FIELD POSITION SO WE COULD NEVER GET OUR OFFENSE ROLLING. I HAVE NEVER SEEN A GAME IN WHICH THERE WERE SO MANY WIERD BOUNCES AND PLAYS.

"OUR DEFENSE PLAYED ANOTHER GOOD GAME."

#####

QUOTES FROM FLORIDA STATE COACH BILL PETERSON:

"I DON'T KNOW WHAT IT TAKES. WE SHOULD HAVE WON THE GAME WITH THE OPPORTUNITIES WE HAD. WE HAD SO MANY CHANCES IN THAT FIRST HALF.

"PENALTIES, PLUS THE FACT THAT WE COULDN'T GET THOSE FIRST DOWNS ON SHORT YARDAGE, RUINED US.

"OUR DEFENSE, WITH A COUPLE OF EXCEPTIONS, DID AN OUTSTANDING JOB. WE FORCED THEM INTO MISTAKES THAT SHOULD HAVE HAD THEM OUT OF THE GAME IN THE FIRST HALF. OUR PUNT COVERAGE WAS EXCELLENT.

"BOLIN (HOUSTON HALFBACK KENNY) KEPT US UNEASY THROUGHOUT THE GAME. IT LOOKED A COUPLE OF TIMES LIKE HE WAS GOING TO GET LOOSE.

"THAT LAST DRIVE SHOWS OUR KIDS STICK IN THERE. THEY DON'T GIVE UP."

PRINCIPAL INDIVIDUAL PLAYS

List **all** scoring plays; also non-scoring plays (including punts) gaining 50 yards or more, and all **missed field goal attempts**.

Under "type of play" indicate rush, pass, int. runback, punt runback, kickoff runback, punt or field goal. List tries-for-points as P.A.T. kick, P.A.T. rush or P.A.T. pass

On pass play, give passer first, then receiver, and combined yardage of pass and run. Measure runbacks from goal line, if started in end zone. Measure field goal attempts from point of kick. All other plays are measured from line of scrimmage.

Type of Play	Player or Players	Team	Yards	Scored?
PASS	Sessions-Bolin	Houston	12	YES
P.A.T. KICK	Mitchamore	Houston		YES
PASS	Trancy-ee-Tillman	F.S.U.	20	YES
P.A.T. PASS		F.S.U.		YES

CONDENSED RULES FOR RECORDING FOOTBALL STATISTICS*

(Originated by the N.C.A.A. Football Rules Committee's Sub-committee on Football Statistics)

SECTION 1 — FIRST DOWNS.

A first down shall be recorded whenever the yardsticks are ordered forward by the officials, and when a touchdown is scored from scrimmage (by rushing or passing) within a series of downs starting 10 yards or more from the goal line. A first down is **not** recorded on a touchdown runback, regardless of the distance of the scoring run.

SECTION 2 — RUSHING.

Article 1: All offensive running plays are to be classified as rushing plays, **not** as "plays from scrimmage," since any play begun with a snapback from center actually is a play from scrimmage.

Article 2: Rushing yardage is measured from the line of scrimmage to the point where the ball is declared dead, or is recovered by opponents in the case of a fumble.

Article 3: The rushing total is a **net** figure. All rushing losses must be recorded so as to account for the net figure.

Article 4: All gains on lateral passes which originated or grew out of a rushing play are included in rushing yardage. (See Article 1 of Section 4.)

SECTION 3 — FORWARD PASSING.

Article 1: Forward passing gains or losses are measured from the scrimmage line to the point where the ball is declared dead (or is recovered by opponents in the case of a fumble), so as to include both length of pass and running advance after completion. All yards gained or lost on each completed pass play are credited to **both** the passer and the receiver.

Article 2: Loss from a completed forward pass which did not advance the ball to the scrimmage line is a yardage charge against passing gain.

Article 3: Any loss by a player apparently intending to pass, but thrown behind the line of scrimmage, is recorded as a **loss by rushing**. He is **not** a passer until he has thrown the ball, and he retains at all times the option of running.

Article 4: Interception returns are measured from the point of interception to the point where the ball is declared dead (or is recovered by opponents in the case of a fumble).

Article 5: There is **no** pass completed by penalty. A gain through interference on a passing play is a penalty against the defending team. The passer is **not** charged with a pass attempt, nor credited with a pass completed or yards gained; nor is the intended receiver (or the player interfered with) credited with a pass caught. The passing team

is credited only with a first down by penalty. The defensive (offending) team is charged with a penalty, and the distance from the line of scrimmage to the spot of the penalty under "yards penalized."

Article 6: The forward passer is charged with a forward pass attempt when a forward pass is ruled intentionally grounded.

SECTION 4 — LATERAL PASSING.

Article 1: A lateral pass is always a component part of the ultimate play, whether it precedes or follows that play, since the lateral is merely an extension of the original or ultimate play, in effect.

(Approved Ruling — Player A receives a forward pass for a gain of 10 yards, then throws a lateral pass to Player B, who gains an additional 5 yards. Player A is credited with one pass caught and 10 yards under "receiving." Player B is credited with NO pass caught and with 5 yards under "receiving." Player who threw the forward pass is credited with 15 yards under "forward passing.")

(Approved Ruling — Player A catches punt and returns 10 yards before throwing a lateral pass to Player B, who returns another 5 yards. Player A is credited with one return and 10 yards under "punt returns." Player B is credited with NO return and with 5 yards under "punt returns.")

Article 2: Incomplete lateral passes are scored as fumbles, and yards lost are charged against the player who, in the scorer's opinion, was responsible for the failure of the pass.

Article 3: Intercepted lateral passes are scored as fumbles, the offensive team being charged with a fumble lost.

Article 4: The official scorer rules on whether a completed pass to a flanker or man-in-motion is a forward or a lateral pass. If the latter, the play is recorded under "rushing." If the pass is incomplete, the subsequent action of the officials reveals whether the pass was a forward or a lateral.

SECTION 5 — TOTAL OFFENSE.

Article 1: Total offense is the combined result of rushing and forward passing **only**, since these two are the only methods by which legal advance can be initiated while retaining possession of the ball.

Article 2: Total offense yardage is the total of **net** gain by rushing and net gain by forward passing. "Receiving" yards gained are **not** included in total offense.

WILD PASS FROM CENTER.

Any loss resulting from an **obvious** wild pass from center is charged to "center pass," and not to any individual player.

(Continued on back of Form 347-B)
