ABE MARTIN, head coach--"Florida State is a good football team... lot going for them...good passing, good receiving...I think they better football team tonite than Kansas was last week...tough, mobile linebackers... and tackles good at times...experienced team...our kids eager---on defense they hit folks again...we played two darned good teams, and haven't been humiliated yet...we are going to score on somebody, I'll tell you that... ^{and fumbles} penalties/hurt us at crucial times....pass defense wasn't bad...we had our chances, it was 3-0 a long time.....knew they had something going in Tensi-Biletnikoff, so ~~they~~ we double-teamed Biletnikoff...they had to beat us with something else, and they did hurt us some in other areas....they had the ball a lot to score only 10 points....our offense needs to get going....try Kent Nix some next week (didn't suit up tonite due to knee injury in Kansas game)...but ~~Randy~~ Randy's passing improved...they dropped a lot of his ~~passing~~ passes...I'm still with those kids...we'll get better."

RANDY HOWARD, QB--"don't know what happens on our fumbles...I'm just getting the ball knocked out of my hand a lot....Fla State good aggressive ball club...we could move the ball...we helped beat ourselves."

JIM FAUVER, HB--"We'll be ready for Arkansas next week...we still got hustle....~~they~~ thought our blocking better overall tonite....Fla State defense better than Kansas....Randy called good game...he caught them on several things."

KEN HENSON, Center--~~Ken~~ "I'm forgetting about tonite when I hit the sack...Arkansas is next....we made some mistakes tonite...but I thought the whole team hustled more than last week against Kansas."

))*)*)

Quote from Florida State Coach Bill Peterson:

"This was a great victory for us. Our defense pulled us through with a great effort. We need work on our offense, but they came through in the last quarter when it counted.

"TCU has a tough defensive team. They did a tremendous job covering Fred Biletnikoff. He did catch two, and those were in critical situations.

"Jim Fauver is a great halfback."

Quote from Fred ~~Bikk~~ Biletnikoff:

Question: How many ~~xxxx~~ men were covering you?

Biletnikoff: "Eleven, I think."
