QUOTES FROM COACH PETERSON:

"That shotgun threw us off. We worked on it a little this week but we didn't think they'd use it because we didn't think they had the quarterback to do it.

"We both made enough mistakes in the first half to give two games away. I didn't think we were ever going to get going after that first touchdown.

"They were hitting some passes in the first two ~~quarters~~ quarters. Those passes were right on the money.

"I was pleased with the way our kids came back after being behind.

"Our first touchdown came so easy that it worried me. After that one I told our kids to try to drive one down their throats. We went a little conservative and this might have hurt us.

"I'll tell you one thing. Coach ~~Dietsel~~ Dietzel will have a good football team here before he's through. It may not be this year but it'll come. He's too good an organizer and he has too good a staff not to have a good club.

"I didn't know what to expect from Paul. After all football has changed a lot in seven years.

"They were blitzing us on first down and then going to double coverage on second and third.

"I thought Mankins did a good job on offense. I guess ~~xxx~~ we played fairly well in the second half but we sure missed a lot of tackles."

FROM SENIOR ~~EMEM~~ GUARD DEL WILLIAMS:

"We dedicated this game to Coach Peterson because we knew he wanted it to bad. We told him so in a squad meeting Friday night."

FROM COACH PAUL DIETZEL:

"FSU poured the power to us late in the third quarter and the fourth quarter and we took a bad beating. Up to that point, we played well and were right in the ball game. We looked terrible on their opening drive, but snapped out of it on McCord's kickoff return and played well until we were worn down late in the game and then we collapsed. That big Mankins is some runner. He sure hurt us in the second half. FSU is a team that can get yardage in great big chunks and can score from anywhere on the field. Sellers took the ball away from our defenders on pass receptions several times.

"We used McCord and Garnto deep on the kickoff and punt returns because Bryant has a bad leg and Galloway and banged up ribs, and we didn't want to chance losing them. Garnto actually had a bad cold and the flu all week and we had to play him in spurts.

"I don't think Marcotsis did too bad a job for a youngster who had never been in a college game before. Ted Wingard was knocked dizzy early in the game and we couldn't use him anymore. That made Marcotsis the only quarterback we had.

"We got whipped real well by a good, well coached, football team. Bill Peterson has done a fine job at FSU."
