COACHES QUOTES:

FROM BILL PETERSON:

"I told our kids that they were going to make people proud of them sometime this year and tonight was the night.

"Our kids played their hearts out. Maybe we should have taken advantage of more opportunities. But we won and that's what counts.

"After that heart-breaking loss to Memphis ~~Sta~~ State you can't ~~amagine~~ know what this win means to this football team.

"We thought at the start of the year that South Carolina would be one of the tougher teams on our schedule because of their experience. They were sure tough tonight.

"Those punt returns were things of beauty. They were the ~~turning point~~ difference in the game.

"Warren did an outstanding job of running the ball club.

"Our offensive line did a fine job and our defense was great--just great.

"This was our best game so far by a wide margin. Our offense showed ~~consistency~~ consistency."

FROM PAUL DIETZEL:

"That was a bitter experience. I'm proud of our effort. In that respect we played much better than last week. But, I'm very disappointed that we didn't win.

"Florida State was a pretty fired up football team tonight. They have good athletes and they played well tonight.

"Our pass protection was terrible in the clutch when we had to have it, and that fumble early in the third quarter was the turning point in the game. It gave them the go ahead touchdown. Florida State throws the football real well with fine protection.

"We've got four football games to go and we've got to get down to work."
