gator talk

by Norm Carlson

This is the 14th meeting between Florida and FSU in a series which began in 1958. The Gators lead the series, 10-2-1, and have won the past three meetings.

Last FSU victory came in 1967 when Kim Hammond came off the bench to hit two long bombs to All-America receiver Ron Sellers in a 21-16 game.

Biggest margin of victory was in 1969, when the sophomore combination of John Reaves to Carlos Alvarez propelled the Gators to a 15-point bulge at 21-6. FSU's biggest margin was nine points in 1964, when the Steve Tensi to Fred Biletnikoff combo put the Seminoles on top in Tallahassee, 16-7, for the first victory in the series for FSU.

This game, over the past few years, has produced some of the finest aerial shows and passing combinations in college football. FSU fans can recall the Tensi-Biletnikoff, Hammond-Sellers groups and the Gators fondly remember the days of Steve Spurrier to Charlie Casey, Spurrier to Richard Trapp, and Reaves-Alvarez.

Last year's meeting at Tallahassee saw the Gators jump out to a 38-7 lead behind Reaves' passes and then

have to fight for their lives in the final quarter as Gary Huff came off the bench to move the Seminoles down the field as rapidly as he could get his hands on the football.

Huff and Reaves both rank among the leading passers in the nation this year and this is as good an indication as any that this FSU-Florida game is likely to follow the same pattern as most of the recent ones in the series.

Losing streaks tend to make you a tad humble and send you, mentally, in search of anything humorous to help break the strain, or ease the pain.

Last Saturday night in Baton Rouge the WRUF crew which originates Florida's radio network was perched in a booth whose previous occupant had placed on the door a sign saying "Humble Radio Network."

Late in the fourth quarter of the 48-7 loss, Bob Leach of WRUF got up, eased across to the door and, in black magic marker, wrote at the beginning of this sign just one word. It was "VERY".

IMPORTANT: Most player categories are now ranked on per-game average. Thus, it's vital that you consider every player (on both teams) with any statistics in any game this season (get season player statistics from both SIDs). Then list below the code number and last name of players who have season figures but did NOT play in this game. A game played is one play--whether or not the player touches the ball. All players will be charged with a game unless you tell NCSS otherwise. If a player with first-time statistics has missed games, fill in below--after getting from his SID how many games missed.
