support **FLORIDA STATE UNIVERSITY**

"In my opinion the importance of intercollegiate athletics to a university has not diminished one whit... I suspect we need a high quality, strong athletic program now more than ever"

—President Stanley Marshall, June, 1971

"Athletics at Florida State University is moving into a new era... an era in which the fans and friends of Florida State will play an unprecedented role with their support. The object of the National Seminole Club is to organize this support and direct it into one of the most meaningful and personally rewarding areas within the scope of our program..."

HEAD COACH — LARRY JONES

Head Coach Larry Jones

Coach Jones and Judy with their three children.

Larry Jones has been the Seminoles "Man on the go" since his arrival on the Tallahassee campus a year and a half ago.

The personable young Seminole coach surrounded himself with a hard working staff that has been a whirlwind of activity. Jones barely gave the new staff time to get to Tallahassee before he had them off to every part of the state on recruiting tours. Their endeavors paid off handsomely as the Seminoles enjoyed one of their best recruiting years last winter.

The hard work and long hours don't stop with recruiting. Jones' staff, which he says is "the best in the nation" prepared the Seminole squad into a tight knit, spirited group that ran up an 8-3 record and trip to the Fiesta Bowl in his first season.

The Seminole team was marked with a strong comradeship. Every man appeared willing to pay the price, not only for himself, but also for his teammates. And it was this factor, more than any other — more than their victories, more than the outstanding defensive play, more than the brilliant passing game — that pleased Larry Jones. Jones summed up his feelings in these words, "I was most impressed with the love and respect our players had for one another."

That unity would seem to be the key to Jones' coaching style — proving you can still believe in "humility," "teamwork," and "paying the price" while communicating with one another.

A native of Little Rock, Ark., where he was a three sport star in high school, Jones came to Florida State from Tennessee where he was chief assistant under Bill Battle for a year. Prior to that he was an assistant with Paul Dietzel at LSU, Army and South Carolina from 1958 through 1969.

Jones was a center-linebacker at LSU from 1951-54 and then joined the Tiger coaching staff as a graduate assistant. After two years in the Air Force he rejoined Dietzel's staff in 1958.

Larry and his wife, the former Judy Bianchi of Dallas, Texas, have three children, Bruce, 14; Kevin, 8; and Laura, 7.

TODAY'S GAME

by LONNIE BURT
Sports Information Director

In the Sunshine State, THE GAME is Florida-Florida State and today's contest is the 15th meeting between these intense rivals.

The Gators own a 11-2-1 edge with one of Florida State's wins coming in Campbell Stadium in 1964 when the Seminoles gained a 16-7 triumph. The only other Seminole victory was registered at Gainesville in 1967 with the Tribe winning 21-16. The 3-3 tie occurred on Florida Field in 1961.

The first meeting came in 1958 with the Gators winning 21-7 after the late Bobby Renn took the opening kickoff deep into Florida territory before he was tackled by Jimmy Dunn, current member of the Gator coaching staff.

There have been some thrillers in this series. The 3-3 deadlock in 1961 was a shocker and the year before Florida managed a 3-0 triumph. In 1965, the Seminoles led late in the fourth quarter only to have Steve Spurrier toss a touchdown pass to Charles Casey to give the Gators their go ahead margin.

The 1968 game here was scheduled to be an offensive duel before a regionally televised audience. However, it turned out to be all defense as the Gators stopped Florida State four times inside their five and gained a 9-3 verdict.

Today, the Gators come into this one with a 1-1 record and fresh off a 28-13 win over Mississippi State. Florida State is 4-0 with victories over Pitt, Miami, Virginia Tech, and a 44-22 triumph over Kansas last Saturday in Lawrence.

Florida showed a pair of outstanding runners against the Bulldogs in sophomore Nat Moore and junior Vince Kendrick, a 224 pounder from Miami. Kendrick registered 113 yards in 14 carries including a 52-yard touchdown jaunt while Moore stepped off scoring dashes of 8 and 26 yards.

The Seminoles also have more rushing ability this season than in the immediate past. Junior Hodges Mitchell is averaging 105.5 yards per contest.

Heisman trophy candidate Gary Huff is having another banner season. The Tampa senior is among the leaders in passing and total offense. He needs just 14 yards to replace Bill Cappleman and become the Seminoles' career total offense leader.

OUTSTANDING PLAYERS AWARD

Following today's game two players from each team will be honored as the outstanding offensive and defensive players of the game. They will be chosen by a vote of the members of the press covering the contest. In honor of these players' accomplishments, Tallahassee Federal Savings and Loan Association and the First Federal Savings and Loan Association of Gainesville have agreed to present the school in their community a donation of \$1,000 for Athletic Scholarships. The athletic departments of both Florida State University and the University of Florida would like to thank Mr. J. Edwin White of Tallahassee Federal and Mr. Bob Hester of First Federal for their interest in establishing these scholarship awards. LISTEN FOR THE ANNOUNCEMENT OF THE GAME'S OUTSTANDING PLAYERS NEAR THE CONCLUSION OF THE FOURTH QUARTER!

"Without a good coaching staff, you can't have a winner."

— — Coach Larry Jones

BILL CANTY

Offensive Coordinator, Quarterbacks

Originally, Canty was named by Coach Jones to direct the Seminole freshmen. However, Bill worked primarily with the varsity running backs last fall and was elevated to offensive coordinator when Steve Sloan departed.

Bill came to Florida State from Furman his alma mater, where he headed the Paladins' offense. He was an assistant there for eight seasons following his graduation in 1962.

The former Furman quarterback was born in Pascagoula, Miss., and attended high school there before being recruited by Furman.

He captained the Paladins as a junior and played in the Senior Bowl following his final season of eligibility.

Bill's younger brother, Bobby, was a Florida State baseball standout who graduated in 1967.

Bill and his wife, the former Ann Lochridge of Delta City, Miss., have a son and daughter.

GENE HENDERSON

Defensive Coordinator, Defensive Backs

A native Texan, Gene played his college football under Bear Bryant at A&M after transferring from San Angelo Junior College.

Coming to Texas A&M in 1954, Gene was a member of the famous Aggie team which "survived" the fall practice at Junction, Texas.

Born in Sonora, Texas, Gene was also a track performer in junior college and at A&M.

Following graduation in 1955, he spent six years as a prep assistant before getting the head job at Nederland High School. In 1967 he went to Texas Tech as an assistant, taking over as defensive coordinator in '68.

He headed up the defense at TCU in 1970 before joining the Florida State staff in 1971.

Gene and his wife, the former Sue Wyatt of Sonora, have four children.

FRANK DEBORD

Equipment Manager

Frank not only is in charge of Florida State's football gear, but also oversees the upkeep of the Seminoles' practice fields.

Now in his third season as the Seminoles' football equipment chief, he has been with the program for six years. A native of Virginia, he currently resides in Quincy.

A graduate of Virginia Tech where he lettered in football and wrestling, Frank served as an assist football coach at Franklin, Va., High School and also played two seasons for Norfolk in the Continental League.

Frank and his wife, the former Marian Bradshaw of Franklin, Va., have three children.

JOHN DEVLIN Defensive Ends and Tackles

A former Army staff sergeant, John came to Florida State in 1971 from Virginia Tech, one of the Seminoles' arch rivals.

An avid paddleball player, this native of Norristown, Pa., played tackle at West Chester State where he was called the "best ever" by 25-year coaching veteran W. Glenn Killinger.

After receiving his degree in 1959, John became the line coach at Waynesboro, Pa., High School. In 1961 and '62 he was an assistant with the Fourth Armored Division football team in Ulm, Germany. From 1963-65 he served along with Larry Jones as an assistant under Paul Dietzel at the U.S. Military Academy. In 1965 he joined Jerry Claiborne's staff at Virginia Tech.

John and his wife, the former Irma Kleemann of Regensburg, Germany, have three sons and a daughter.

JIM DONNAN Running Backs

Jim is one of the newest additions to the Seminole staff, coming to Florida State from the University of North Carolina.

Prior to joining the Tarheels, Donnan was an assistant at his alma mater, North Carolina State.

During his playing days Jim was the second-leading passer in Wolfpack history. He was named the Most Valuable Player in the 1967 Liberty Bowl and was voted the ACC Player of the Year the same season. He was also No. 1 singles player on the N.C. State tennis team.

The 1968 graduate was named the Wolfpack's most outstanding student-athlete in 1967. Following graduation he joined State's staff as an assistant.

A Burlington, N.C., native, Jim is married to the former Mary Wright of Burlington and they have two daughters.

BOB HARBISON Interior Offensive Line

This will be "Harbie's" 25th season at Florida State, meaning that only one Seminole team, the first, hasn't benefited by Bob's coaching ability.

Bob has coached both offensive and defensive linemen during his long career at Florida State. He returned to offense last season after a number of years guiding the interior defensive linemen. His "Magnificent Seven" of 1964 is considered one of the Seminoles' better defensive lines.

A native of Evansville, Ind., Harbie played his college football at the University of Indiana under the late Bo McMillin. Following his senior season he performed in the Blue-Gray All-Star game in Montgomery, Ala.

Larry Jones is the fifth Seminole head coach Harbie has worked with. He also served under Don Veller, Tom Nugent, Perry Moss and Bill Peterson.

Bob and his wife, the former Jane McEntee of Washington, D.C., have four children.

LARRY HOLTON Defensive Backs, Scout Squad

Another first year Florida State assistant, Larry comes to the Seminoles from Iowa State where he served two seasons as a graduate assistant.

At Florida State he will assist Gene Henderson with the defensive backs and also direct the scout squad.

A native of Keokuk, Iowa, Larry was a three-sport letterman at Keokuk High before gaining a football scholarship to Iowa State. As a senior he was named All-Big 8 Conference as a defensive back before earning his B.S. in Physical Education the next year.

Larry joined the Florida State staff this summer. He is single.

DICK MILDER
Trainer

For the first time in nearly two decades Florida State will have a new athletic trainer as personable Dick Milder takes over for Don Fauls who retired last spring.

A graduate of Iowa State University where he served as student trainer under C.R. Bickerstaff, Dick has a Certificate of Physical Therapy from Iowa and a Master's Degree from Purdue. His training experience includes two years at West Point, a year at Iowa and two years at Purdue where he was located before joining the Seminoles. The Army veteran also has served as an assistant trainer for the St. Louis Football Cardinals.

Dick is married to the former Linda Lee Van Wechel.

BILL PARCELLS
Linebackers

This will be Bill's third season as director of Florida State's linebacking corps. He and Bob Harbison were the only two holdovers from the Bill Peterson staff.

Parcells has been associated with outstanding linebackers during his entire coaching career and he ranks this year's group among the best he's coached.

The Oradell, N.J., native came to Florida State after four seasons at the U.S. Military Academy.

Bill played his college football at Wichita where he performed at guard, tackle and linebacker. He was All-Missouri Valley Conference twice and upon graduation was a fourth-round draft choice by the Detroit Lions.

His first coaching assignment was at Hastings College for one year. He then returned to his alma mater for another season before moving to Army.

Bill and his wife, the former Judy Goss of Wichita, have three daughters.

JIM PHILLIPS
Receivers

Jim comes to Florida State from the pro ranks, having coached the San Diego Charger receivers since 1969.

Following an outstanding college career at Auburn where he was an All-America end, he was a first round draft choice by the Los Angeles Rams. He played seven seasons with the Rams and three more with the Minnesota Vikings before joining the Chargers as an assistant. He graduated from Auburn in 1958.

Jim ranks 15th on the all-time list of pro receivers with 401 catches for 6,044 yards.

A native of Alexander City, Ala., he and his wife, the former Mickey Kennedy of Phenix City, Ala., have three children.

MIKE POPE
Director of High School Relations

This will be Mike's second season in the important role of directing Florida State's recruiting. His first was called one of the best recruiting years in Seminole history.

Mike moved into his present job after spending the 1970 season working as a graduate assistant helping with the freshman squad.

The North Carolina native was born in Monroe and played his college ball at Lenoir Rhyne where he performed at both quarterback and fullback in the Bears' single wing attack.

After three years as head coach in North Carolina high schools, he went to Jacksonville where he was offensive coordinator at Wolfson High. He became head coach and athletic director at Lake Wales High School in 1968 before coming to Florida State.

In college, Mike was the Lenoir Rhyne captain in 1963 and voted the team's most valuable player.

He is married to the former Lee Lambie of Arlington, Va.

Follow Florida State "on the Warpath" over the Seminole Network throughout the State of Florida and south Georgia and Alabama.

More than two dozen stations will be carrying every play of the Seminoles' 1972 season with several more broadcasting selected games. In addition many Florida State games will be heard as a part of the "Pick of Dixie" broadcasts. Originating station for the network is WTNT in Tallahassee.

Bo Mitchell will be the "Voice of the Seminoles" for the 10th consecutive year. The veteran announcer is a former winner of the Florida Sportscaster of the Year award and has done the play-by-play for the Senior, Tangerine and Fiesta Bowl world-wide networks. Mitchell has 25 years experience in broadcasting and is President of WTRL in Bradenton and a partner in three other Florida stations.

Working with Mitchell this year will be Bill Owens. Another veteran of sports broadcasting, Owens has handled the play-by-play for Florida State's basketball team the last three years and has also been the "voice of Florida State baseball." He returns to the football mike as color man after a year's leave of absence last fall.

LONG WEEKEND FARES

Perfect for anyone wanting to attend those away games. Leave or return on Saturday or Monday and save 2/3 of your return air fare.

GROUP 10 FARES

Alumni groups like this one. When 10 or more people fly together to the same destination every group member saves 2/3 of the return air fare. And members can return separately. Good any time.

YOUTH FARES

Something for the students. Anyone 12 through 21 with a valid Youth Fare ID card from any domestic airline can fly in a reserved seat and save 25% of the regular fare. Good any time except from 2:00 pm to midnight on Fridays and Sundays.

FAMILY PLAN

Good for husband and wife, husband, wife and children from 12 through 21, or other parent and children 18 through 21. Head of family pays full fare, spouse (or first child if only one parent accompanies) pays 75%. Children 12 through 21 pay 2/3 and those 2 through 11 pay 50%. Fares are good during the same periods as Youth Fares. (Percentages are approximate.)

MILITARY FARES

Military personnel can fly in reserved seats and save 1/3 of the regular fare. Or they can fly "stand-by" and save 50%. Reserved seat fares are good during the same periods as Youth or Family Plan Fares. "Stand-by" fares are good any time.

DISCOVER AMERICA

Those who stay at their destination at least seven days but not more than 30 days can save up to 20% of the regular round trip fare. Good any time except from 2:00 pm to midnight on Fridays and Sundays.

SUMMARY OF FOOTBALL GAME STATISTICS — Home Team

Home Team FLA. STATE First Downs: (Rush) 3 (Pass) 18 (Pen.) 2 Total 23 Penalties Against: (No.) 7 (Yards) 75 Own Fumbles: (No.) 6 (Lost) 6

IMPORTANT: Most player categories are now ranked on per-game average. Thus, it's vital that you consider every player (on both teams) with any statistics in any game this season (get season player statistics from both SID's). Then list below the code number and last name of players who have season figures but did NOT play in this game. A game played is one play—whether or not the player touches the ball. All players will be charged with a game unless you tell NCSS otherwise. If a player with first-time statistics has missed games, fill in below—after getting from his SID how many games missed.

SCORING SUMMARY

List all scoring plays in sequence. "Time left" means time remaining in the quarter. Under "play," to save you time, please use only: Rush, Pass, INT, PR, KOR, FUM, FG or SAF (instead of writing out interception, punt, kickoff and fumble returns, field goal or safety).

On pass play, list passer first, then receiver and combined yardage of pass and

run. All plays are measured from the line of scrimmage except field-goal attempts-from the point of kick to the goal posts (goal line plus 10 yards).

After each touchdown, please continue on the same line and under "FOR EXTRA POINTS ONLY" check (✓) type of PAT (kick, pass or run) and whether good (G) or no good (NG).

IMPORTANT: Most player categories are now ranked on per-game average. Thus, it's vital that you consider every player (on both teams) with any statistics in any game this season (get season player statistics from both SIDs). Then list below the code number and last name of players who have season figures but did NOT play in this game. A game played is one play—whether or not the player touches the ball. All players will be charged with a game unless you tell NCSS otherwise. If a player with first-time statistics has missed games, fill in below—after getting from his SID how many games missed.

Coaches Quotes

Doug Dickey, Florida:

"This was the kind of game you dream about as a coach. Our offense didn't give FSU any help by mistakes, took a dvantage of breaks and our defense forced FSU into critical errors.

"Offensively, we showed a lot of poise for a young team and David Bowden did an outstanding job of directing them. Nat Moore's long run in the third quarter was perhaps the key play in the game. He is extremely dangerous with the football and when he gets a tackler in a one-on-one situation he is going to win it most of the time.

"We did a good job up front, both offensively and defensively. I thought our kids loosened up and went after them. We tried not to be too technical with what we were doing, but just wanted our people to go out there and get after them.

"Our defense is really coming. When you play that kind of game against Gary Huff and Barry Smith you have done an afternoon's work and deserve a lot of credit. I thought our linebackers played extremely good football and Ricky Browne seemed to be getting a lot of good things done for us.

"The punting of Buster Morrison was also a factor. He punted very well into the wind and hung the ball up where David Snell couldn't get a good shot at a return. We were worried about Snell.

"FSU is a good football team and Huff is a great quarterback. They aren't going to make that many mistakes in one afternoon again and should be capable of beating anybody on a given Saturday."

Quotes from Coach Larry Jones

"I think the biggest play of the game was Nat Moore's fourth down run when it was 14-7. I don't know if we could have turned it around or not. But it was certainly a turning point. It seemed like we were fighting up hill all day.

"Florida didn't do anything that we didn't expect. They just did it so well. They did a better job than anybody we've played this year. We're a beat up defense. I said before the game that we had to score a lot of points to win. We didn't.

"Our defense played great the first half. With all the turnovers they just couldn't keep it up.

"You certainly have to give Florida credit. They covered our receivers well. They had us well scouted and they just did a great job overall. This kind of day happens to you ever so often.

"The wind ~~was~~ apparently bothered us more than it bothered them.

"On those fumbles, they were knocking the ball loose and they were very alert to recover it. At halftime, I thought we'd made all the mistakes we possibly could make. But I was wrong.

"This is the worst beating I can remember taking."
