MISSISSIPPI STATE vs FLORIDA STATE  
MEMORIAL STADIUM / JACKSON

OCTOBER 14

Sandy Braswell catching pass for big gain.

### TONIGHT'S GAME

Two teams anxious to snap back from losses, Mississippi State and Florida State, clash in the second half of a big collegiate doubleheader at Memorial Stadium.

While Coach Charley Shira's Bulldogs were dropping a heartbreaker, to Kentucky, 17-13, Florida State was stunned by Florida, 42-13. The loss knocked the Seminoles from the ranks of the unbeaten and out of the nation's top ten teams.

The Bulldogs, improving from week to week, had the best of Kentucky in everything except the final score. Trailing 10-3 at halftime, State roared back in the second half to completely dominate the final two quarters.

During the final thirty minutes the Bulldogs made sixteen first downs to only two for the Wildcats. For the game State led in first downs 23-13, in rushing yardage 251 to 241 and had a big edge in passing yardage, 170 to 41. State's total offense accounted for 421 yards while Kentucky had 282 yards.

A fumble on the Kentucky goal line and a 97-yard pass interception halted two State scoring opportunities. The Bulldog touchdown came on a 24-yard touchdown run by tailback Lewis Grubbs with 10:59 left in the game. The Bulldogs needed only three plays to march 90 yards for the touchdown. Grubbs had two runs for 46 yards while Rocky Felker and Bill Buckley combined on a 34-yard pass play.

The sturdy Bulldog defensive unit came through with another fine effort despite the handicap created by the loss of All-Southeastern Conference defensive halfback Frank Dowsing. The senior from Tupelo hurt a knee in the third quarter of the Florida game two weeks ago and did not make the trip to Lexington. Sophomore Steve Freeman did an excellent job filling in for the injuring Dowsing.

Three fumbles and three pass interceptions proved the undoing of the Bulldogs in their fourth SEC game of the season. The Bulldogs are now 2-3 for the year, having defeated Northeast Louisiana 42-7 and Vanderbilt 10-6. The losses have been to Auburn 14-3, Florida 28-13 and Kentucky 17-13.

Florida State had little trouble disposing of its first four foes Pittsburgh, Miami, Virginia Tech and Kansas before being shocked by the Florida Gators—and it was FSU turnovers that proved the undoing for Coach Larry Jones' Seminoles. Florida State had four passes intercepted and lost six fumbles in seeing its four-game win streak come to a halt.

Quarterback Gary Huff, the nation's total offense leader, became Florida State's all-time career offense leader, but it was little consolation as the Seminoles were upset for their second consecutive year by arch rival Florida. Huff is averaging almost 275 yards total offense per game.

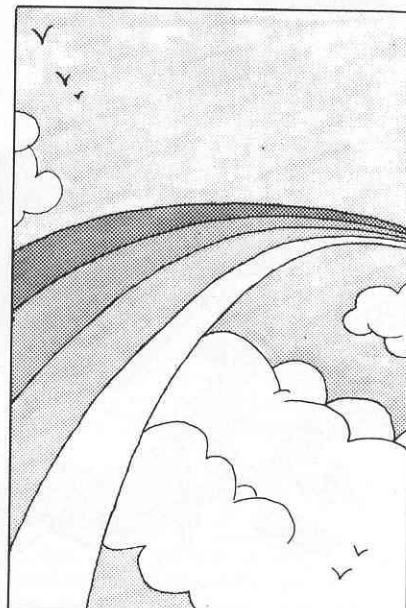

Tonight's game marks the Bulldogs' second and final appearance of the season in Memorial Stadium. State dropped a 14-3 decision to Auburn in the season opener September 9.

This is the sixth meeting of the teams, FSU having won all five of the previous encounters. The Seminoles captured last year's game in Tallahassee 27-9.

The Bulldogs return to the friendly confines of Scott Field for two consecutive games beginning with next week's clash with Southern Mississippi. The Bulldogs host Houston in the Homecoming attraction October 28.

**About the Cover**—MSU coed Mary Love Duplain is tonight's cover girl. She is the daughter of Mr. and Mrs. Norman Duplain of Belzoni. Her father is a former Bulldog halfback.

## The clean skies of tomorrow.

Mississippi is blessed today with clean air and blue skies . . . thanks in large part to natural gas . . . the clean energy source that doesn't dirty the air. It burns clean.

And the gas industry continues working to make that mean something in the fight against pollution. Projects include smokeless incinerators, clean auto fuel, and many more. Most promising is equipment that will provide all the fuel and energy needs at individual homes from one source . . . clean natural gas.

All these responses of the gas industry to increasing need for pollution control won't be completed over night. But, in Mississippi, natural gas still will be helping keep today's bright skies clean for tomorrow.

**IMPORTANT:** Most player categories are now ranked on per-game average. Thus, it's vital that you consider every player (on both teams) with any statistics in any game this season (get season player statistics from both SIDs). Then list below the code number and last name of players who have season figures but did NOT play in this game. A game played is one play—whether or not the player touches the ball. All players will be charged with a game unless you tell NCSS otherwise. If a player with first-time statistics has missed games, fill in below—after getting from his SID how many games missed.

[illegible]

**IMPORTANT:** Most player categories are now ranked on per-game average. Thus, it's vital that you consider every player (on both teams) with any statistics in any game this season (get season player statistics from both SIDs). Then list below the code number and last name of players who have season figures but did NOT play in this game. A game played is one play--whether or not the player touches the ball. All players will be charged with a game unless you tell NCSS otherwise. If a player with first-time statistics has missed games, fill in below--after getting from his SID how many games missed.

## DID NOT PLAY IN THIS GAME
