Quotes by UM Coach Pete Elliott

"Florida State Played excellent football. The defense was good and their offense executed a fine game plan.

"Florida State ran more than I thought they would but otherwise they didn't do anything we didn't expect.

"It was a very important win for us. Florida State is an intrastate rival which has beaten us several years in a row.

"We had many key penalties and fumbles but that's part of the game. I'M not taking anything away from Florida State, they played a good game. We did, however, make a lot more mistakes than we did against Texas.

"We felt we needed to ~~ga~~<sup>keep</sup> mble on that crucial fourth down play late in the game. We had to ~~get~~<sup>keep</sup> our momentum going right then."

QUOTES BY FSU COACH ~~XXX~~ LARRY JONES

"We are not yet strong enough physically. We've got a long way to go both offensively and defensively. Because of its youth, things happen to this team which are new every day.

"I thought Thompson ran over us on that final drive. Miami was smart. They rested him in the first half so he would be fresh for ball control in the fourth quarter. He's a great back.

"On our last possession we wanted to throw the ball but a couple of mistakes by young people made our protection break down.

"We've lost two games by 6 points. I just hope that doesn't break our spirit.

"Miami has a fine football team. They're very strong physically and they have momentum.

"This was definitely our best game. We cut down on mistakes but still we made too many. ~~xxxx~~ Miami is the most physical team we've played by far.

"We had great effort today. The thing which was disappointing was that we didn't get the ball one more time.

"I'm proud of Billy Sexton. He's gone through some tough times when a lot of times it ~~xxx~~ wasn't his fault.

"That roughing the kicker penalty was a critical play."
