SCORING SUMMARY

List all scoring plays in sequence. "Time left" means time remaining in the quarter. Under "play," to save you time, please use only: Rush, Pass, INT, PR, KOR, FUM, FG or SAF (instead of writing out interception, punt, kickoff and fumble returns, field goal or safety).

On pass play, list passer first, then receiver and combined yardage of pass and

run. All plays are measured from the line of scrimmage except field-goal attempts--from the point of kick to the goal posts (goal line plus 10 yards).

After each touchdown, please continue on the same line and under "FOR EXTRA POINTS ONLY" check (✓) type of PAT (kick, pass or run) and whether good (G) or no good (NG).

Baylor Coach Grant Teaff

It was certainly no exhibition of flawless football between all the mistakes and the penalties, but it was one of the finest efforts I've ever seen. We got shelled last week and came back with tremendous effort.

On that last touchdown they made we had a safety blitz on with a freshman playing safety. He tipped the play and showed it and ~~mmm~~ didn't adjust. Then on that play that looked like an onside kick...the kid just missed the ball. They wouldn't be going for an onside kick with seven minutes left. That turned it into a real heart stopper.

Florida State Coach Larry Jones:

We had opporaturunities and once again we made too many mistakes. I am proud that our team didn't quit and that we hadthe opportunity to try and come back. I have no excuses for the turnovers.

We did slip and fall on a lot of pass patterns and this was the first time we have played on artificial turf this year. We just missed on somelong pass connections.

On defense we had one bad breakdown on that long run (Lacy). We (cozches) were confused on that penalty the play before the long run. We thought it was a five yarder, but it was 15. We should have taken thepenalty. On the play when we missed down thereon the four yard line, Mitchell slipped or I think he could have made it.

In some ways we made progress and others we didn't. We've got a lot of people injured on defense and this is hurtingd

1

Baylor is very tough. They have some good, strong running backs. We opened up a little more on offense in this game.
