SCORING SUMMARY

List all scoring plays in sequence. "Time left" means time remaining in the quarter. Under "play," to save you time, please use only: Rush, Pass, INT, PR, KOR, FUM, FG or SAF (instead of writing out interception, punt, kickoff and fumble returns, field goal or safety).

On pass play, list passer first, then receiver and combined yardage of pass and

run. All plays are measured from the line of scrimmage except field-goal attempts--from the point of kick to the goal posts (goal line plus 10 yards).

After each touchdown, please continue on the same line and under "FOR EXTRA POINTS ONLY" check (✓) type of PAT (kick, pass or run) and whether good (G) or no good (NG).

MISSED FIELD GOAL ATTEMPTS

List all missed field goal attempts by both teams. Number listed below should agree with total misses on the front of this form under Field Goals.

IMPORTANT: Most player categories are ranked on per-game average. Thus, it's vital that you consider every player (on both teams) with any statistics in any game this season (get season player statistics from both SIDs). Then list below the code number and last name of players who have season figures but did NOT play in this game. A game played is one play—whether or not the player touches the ball. All players will be charged with a game unless you tell NCSS otherwise. If a player with first-time statistics has missed games, fill in below—after getting from his SID how many games missed.

QUOTES FROM THE FLORIDA STATE DRESSING ROOM

COACH DAN HENNING----- We made enough mistakes for the year.

COACH DARRELL MUDRA ----- We had enough chances to win---we did not play well enough to win. I am disappointed. We must overcome our mistakes. As coaches we made as many as the players. We just were not organized well enough I guess. I guess it was too much to expect with this young club to go against such a veteran club as Pittsburgh. I felt we got better as the game went along. Pitt is a good defensive team. Our defense played one heckuva game. We gave up some yardage but we got tough when we needed to.

QUOTES FROM PITT COACH JOHNNY MAJORS:

"A win is a win, is a win. Coach Darrell Mudra, his staff and his squad did a great job. I think we'll learn a great deal from this one. Our defense was just utterly fantastic. We wouldn't have been in the game if we hadn't played that way. I can't praise Florida State enough. They talked more confidently as the game day approached and I suspected we were in for a tough one. It is fun for the fans to see Florida State and our defense play with such enthusiasm. It wasn't fun for me during the game, though---I was really sweating in the second quarter and would have taken a 3-0 win. Florida State's defense did a good job of guess with us. They were very aggressive and their big plays and blitzes disrupted our cohesion on offense. Their kicking game was superb---especially their punter. Our kickers were erratic, but Carson Long made the one that counts. We had 3-4 chances to put the ball game away, but fumbled the ball right back to them. I was alarmed about like those things in our practices. We were fortunate to escape as we did."
