Thus, it's vital that you consider every player (on both teams) with any statistics in any game this season (get season player statistics from both SIDs). Then list below the code number and last name of players who have season figures but did NOT play in this game. A game played is one play—whether or not the player touches the ball. All players will be charged with a game unless you tell NCSS otherwise. If a player with first-time statistics has missed games, fill in below—after getting from his SID how many games missed.

SCORING SUMMARY

List all scoring plays in sequence. "Time left" means time remaining in the quarter. Under "play," to save you time, please use only: Rush, Pass, INT, PR, KOR, FUM, FG or SAF (instead of writing out interception, punt, kickoff and fumble returns, field goal or safety).

On pass play, list passer first, then receiver and combined yardage of pass and

run. All plays are measured from the line of scrimmage except field-goal attempts--from the point of kick to the goal posts (goal line plus 10 yards).

After each touchdown, please continue on the same line and under "FOR EXTRA POINTS ONLY" check (✓) type of PAT (kick, pass or run) and whether good (G) or no good (NG).

Florida coach Doug Dickey: "FSU deserves a lot of credit. They have played fine ball the past three weeks and I wish them the best of luck the rest of the way--right up to signing date. They played extremely well and are very well coached. The pass play to Darby ~~was~~ on three and ~~we~~ one was a ~~gaw~~ gutsy call by Don Gaffney. We had practiced it some and had discussed it this past week, but that's not the same as checking off at the line and calling it. Overall, I thought our defense did a solid job tonight. Our offense showed more consistency ~~in~~ than it has in the past, and that first ~~mix~~ drive was our best of the season. We didn't utilize Lee ~~and~~ McGriff much, but he was double-covered all night which ~~gave~~ us the opportunities to do some other things. Tony Green missed some practice this week ~~and~~ because of a bruised tailbone he got last week against Vanderbilt and Larry Brinsan had looked good in practice this week, so we started him. Because Alvis Darby and Keith Tribble both missed some practices this week, we needed another Tight end to be available. Eddie ~~and~~ Sirmons was the man picked and he did a great job on that catch which set up our field goal."

COACH DARRELL MUDRA: "I don't think we played very good but I've never been prouder of a team that I've coached. There were times we could have quit and given it to them. We were in it to the end. We just weren't quite good enough. I don't think we played as well as we did against Alabama. But that's not taking anything away from Florida. They are a good football team. Maybe we just can't put two good ones together in a row. That third and one long pass really hurt. One of ~~a~~ our defensive backs just went to sleep. We knew Florida was good defensively and they proved it. ~~Maybe~~ Maybe we should have gone with Black earlier. He sparkled when we was in there. ~~Some~~ Coppess did some good things but he wasn't as sharp as he was last week. We had the momentum going our way when they hit that long pass for the score. Then we played poorly offensively after that until Black moved us in."
