IMPORTANT: Most player categories are ranked on per-game average. Thus, it's vital that you consider every player (on both teams) with any statistics in any game this season (get season player statistics from both SIDs). Then list below the code number and last name of players who have season figures but did NOT play in this game. A game played is one play—whether or not the player touches the ball. All players will be charged with a game unless you tell NCSS otherwise. If a player with first-time statistics has missed games, fill in below—after getting from his SID how many games missed.

### SCORING SUMMARY

List all scoring plays in sequence. "Time left" means time remaining in the quarter. Under "play," to save you time, please use only: Rush, Pass, INT, PR, KOR, FUM, FG or SAF (instead of writing out interception, punt, kickoff and fumble returns, field goal or safety).

On pass play, list passer first, then receiver and combined yardage of pass and

run. All plays are measured from the line of scrimmage except field-goal attempts--from the point of kick to the goal posts (goal line plus 10 yards).

After each touchdown, please continue on the same line and under "FOR EXTRA POINTS ONLY" check (✓) type of PAT (kick, pass or run) and whether good (G) or no good (NG).

QUOTES FROM COACH DARRELL MUDRA:

"I guess our defense redeemed itself. It really makes you feel good to come back with a performance like that. If we could ever put it all together we could beat a lot of teams.

"We should have had another score or two. Maybe it's just as well we had to struggle---it makes the victory even ~~z~~ better.

"The defense made sure on that goal line stand that we won.

"I don't think we got anyone hurt and that's a break.

"Leon Bright is about as good a back as there is in the country. If he had gotten a little better blocking he could have made a lot more yardage.

"In the second half we weren't able to connect on the big play offensively. Mistakes hurt a lot. Penalties stalled drives. There were too many errors.

"Utah State felt coming in that they had a much ~~z~~ better team than last season and maybe they do. Giammona is an outstanding back and we sure did hit him some good licks.

"This was not the best effort we've had since we've been at Florida State. We still must cut down on errors. We can play better and we will."

QUOTES FROM HILL KRUEGER, UTAH STATE

"We took Giammona on the 4th and one play in the fourth qtr...all we needed was a carry by the qb to score...I'm not sure what happened on the snap..."

I'm amazed that our defense could do so well in the second half...They held FSU scoreless after playing most of the first half...At halftime they were just physically exhausted I thought...but they came back and did the job ~~repose~~ very well in the second half...I'm very proud of the defense....

"The offense did ~~scored~~ quite well and with some consistency we would have scored more...we'll continue to look for that consistency...I'm very proud of this team and the way they continued to drive back and challenge..."
