IMPORTANT: Most player categories are ranked on per-game average. Thus, it's vital that you consider every player (on both teams) with any statistics in any game this season (get season player statistics from both SIDs). Then list below the code number and last name of players who have season figures but did NOT play in this game. A game played is one play—whether or not the player touches the ball. All players will be charged with a game unless you tell NCSS otherwise. If a player with first-time statistics has missed games, fill in below—after getting from his SID how many games missed.

SCORING SUMMARY

List all scoring plays in sequence. "Time left" means time remaining in the quarter. Under "play," to save you time, please use only: Rush, Pass, INT, PR, KOR, FUM, FG or SAF (instead of writing out interception, punt, kickoff and fumble returns, field goal or safety).

On pass play, list passer first, then receiver and combined yardage of pass and

run. All plays are measured from the line of scrimmage except field-goal attempts--from the point of kick to the goal posts (goal line plus 10 yards).

After each touchdown, please continue on the same line and under "FOR EXTRA POINTS ONLY" check (✓) type of PAT (kick, pass or run) and whether good (G) or no good (NG).

QUOTES FROM COACH DARRELL MUDRA:

"We should have punted the football in the fourth quarter. We gave up field position and gave them good position. Another key play was when we didn't make the first down after the decision was made not to punt. We didn't play well offensively and they are a better ~~xxx~~ defensive team than we have played lately. We couldn't run the ball and we made too many ~~x~~ errors. Leon Bright injured his leg in the first half and the doctor advised us to hold him out in the second half. We still had a chance to win late in the ~~1st~~ game but still came up a little short."

QUOTE FROM COACH WILLIAMSON:

" I don't know if the delay had any effect on us or ~~k~~ not, I really don't care. Things like that happen. All I know is that people were hitting and playing hard nosed football. We got awfully tired near the end. We made adjustments at halftime, especially on offense. We started running at them more the second half instead of going outside so much. (On the goal line). I thought we probably got it in, but I really could not tell. I just told them to hold tight and go back in and get another one, and that 's what ~~th~~ we did. Those kind will make an old man out of you.
O (On FSU not going for FG). " I would not have gone for the fieldgoal to tie if I had been in that situation.

(On the kicking game) Our kicking game was just not very good. We couldn't work on it because it rained all week." Now all I want to do is beat Houston."
