QUOTES FROM FSU LOCKERROOM

HEAD COACH BOBBY BOWDEN...

"George Haffner (offensive coordinator) called the two-point play. We call it our Bent Schoofield (assistant coach) play. We've had it ~~EVERYWHERE~~ all year and worked on it every week, but never had the chance to use it. Schoofield has wanted us to use it every week.

"I didn't know how we were going to play before the game. How are you supposed to tell in a game like this? I thought the score would end up something like 2-0, 7-0 or 3-0. The score surprises me. I was surprised and not surprised that we threw so much. There was absolutely no timing on the pass patterns.

"This was a tailback's day for running the ball. The fullback couldn't get the ball.

"I can't stand to play in snow. We would have it at West Virginia and Syracuse, but never this bad. This was the worst I've ever seen it.

"We get to smile for six more days. This wasn't a great win-- it was very satisfying.

"The officials should be commended. I thought they did a ~~heck~~ heck'eva job.

QUOTES FROM HAYDEN FRY

On the fake field goal: "We had just missed an extra point and we wouldn't made it anyway. It was not decision at all, we had to fake it."

On the last drive: "It was just a combination of errors. They (Florida ~~A-State~~ State) played good football and we didn't."

"The only fine pass defense all afternoon was JT Smith's pass interception."

On the extra point try: "We even played for it. That's what we ~~thought~~ thought they were going to do." "Our free safety just didn't come over."

"We didn't play good defense. We got spoiled by playing good defense all year. I'm extremely disappointed. Players are extremely disappointed."
