IMPORTANT: Most player categories are ranked on per-game average. Thus, it's vital that you consider every player (on both teams) with any statistics in any game this season (get season player statistics from both SIDs). Then list below the last name of players who have season figures but did NOT play in this game. All players with previous statistics will be charged with a game unless you indicate otherwise under DID NOT PLAY IN THIS GAME. A game played is one play—whether or not the player touches the ball. (For guidelines on a game played, refer to BI-7 in 1977 Official Football Statisticians' Manual.) If a player with first-time statistics has missed games, fill in below—after getting from his SID how many games missed.

QUOTES FROM CINCINNATI RED COACH RALPH STAUB

They've got a fine football team. I'm a little ashamed that we didn't put any points on the board.

We knew they had a great defense. I was surprised we moved the ball so well in the second half, because they have been primarily a second half ballclub. I was concerned going into the halftime down 7-0 because of the success they've had this season in the second half.

Curtis Williams did another fine job - 113 yards is a good day's work in any league. It's tough to single out any individual in a loss. We win and lose as a team. Florida State beat us and it's as simple as that. We didn't capitalize on the opportunities we had in the first half.

I don't think our kids noticed any difference (playing on grass for first time). I think they (FSU) had a little more respect for us after it was over than they might have had going into tonight's game.

The biggest thing was not being able to score. We had the opportunities and the yardage, but it's sort of an empty thing when you don't get any points on the board.

A lot of times we had seven men rushing the passer, but they were able to pick it up.

I guess we're just not hungry enough on offense. It hurt us to come out empty handed when we missed the first field goal which was relatively easy.

FLORIDA STATE HEAD COACH BOBBY BOWDEN

"Rodger Overby has really come on since a year ago. We (the coaches) all nearly gave up on him and he nearly gave up on himself. In fact, this spring he came to me and talked about quitting. I told him to think it over for a day and he eventually came back. Call him a guy who wouldn't quit

"We're depending on great catches to keep us in ball games. Tonight we needed them. This is the first time we've ever been ahead.

"Cincinnati has played a ~~very~~ different class of people than we have and that is what I tried to hammer to our team all week.

"There is nothing wrong with Wally Woodham. Coach Haffner and all of our offensive coaches had confidence in him. He just needed the chance and last week at Oklahoma State it came. We've had a good feeling about Wally all along

"We are very fortunate to have two fine quarterbacks.

"I'm really proud of our defense. They hung in there. The defense kept shutting them out when it seemed we should be losing by about 10-0. It was a superior defensive effort. I'm so proud of them.

"Our kids are going to take Monday, Tuesday and Wednesday off. They deserve it.

"That Bailey might be as good a scrambler as I've ever seen. I don't know how we shut him out. He's a fine football player

"This one we needed to win for our fans. I would have really felt bad if we lost it. They deserve a lot because they've been through so much.

"I think our boys are finally getting to believe that they can win.
