IMPORTANT: Most player categories are ranked on per-game average. Thus, it's vital that you consider every player (on both teams) with any statistics in any game this season (get season player statistics from both SIDs). Then list below the last name of players who have season figures but did NOT play in this game. All players with previous statistics will be charged with a game unless you indicate otherwise under DID NOT PLAY IN THIS GAME. A game played is one play—whether or not the player touches the ball. (For guidelines on a game played, refer to BI-7 in 1977 Official Football Statisticians' Manual.) If a player with first-time statistics has missed games, fill in below—after getting from his SID how many games missed.

SCORING SUMMARY

List all scoring plays in sequence. "Time left" means time remaining in the quarter. Under "play," to save you time, please use only: Rush, Pass, INT, PR, KOR, FUM, FG, or SAF (instead of writing out interception, punt, kickoff and fumble returns, field goal or safety).

run. All plays are measured from the line of scrimmage except field-goal attempts—from the point of kick to the goal posts (goal line plus 10 yards).

After each touchdown, please continue on the same line and under "FOR EXTRA POINTS ONLY" check (✓) type of PAT (kick, pass or run) and whether good (G) or no good (NG).

On pass play, list passer first, then receiver and combined yardage of pass and

IMPORTANT: Most player categories are ranked on per-game average. Thus, it's vital that you consider every player (on both teams) with any statistics in any game this season (get season player statistics from both SIDs). Then list below the last name of players who have season figures but did NOT play in this game. All players with previous statistics will be charged with a game unless you indicate otherwise under DID NOT PLAY IN THIS GAME. A game played is one play—whether or not the player touches the ball. (For guidelines on a game played, refer to BI-7 in 1977 Official Football Statisticians' Manual.) If a player with first-time statistics has missed games, fill in below—after getting from his SID how many games missed.
