IMPORTANT: Most player categories are ranked on per-game average. Thus, it's vital that you consider every player (on both teams) with any statistics in any game this season (get season player statistics from both SIDs). Then list below the last name of players who have season figures but did NOT play in this game. All players with previous statistics will be charged with a game unless you indicate otherwise under DID NOT PLAY IN THIS GAME. A game played is one play—whether or not the player touches the ball. (For guidelines on a game played, refer to BI-7 in 1977 Official Football Statisticians' Manual.) If a player with first-time statistics has missed games, fill in below—after getting from his SID how many games missed.

SCORING SUMMARY

List all scoring plays in sequence. "Time left" means time remaining in the quarter. Under "play," to save you time, please use only: Rush, Pass, INT, PR, KOR, FUM, FG, or SAF (instead of writing out interception, punt, kickoff and fumble returns, field goal or safety).

On pass play, list passer first, then receiver and combined yardage of pass and

run. All plays are measured from the line of scrimmage except field-goal attempts—from the point of kick to the goal posts (goal line plus 10 yards).

After each touchdown, please continue on the same line and under "FOR EXTRA POINTS ONLY" check (✓) type of PAT (kick, pass or run) and whether good (G) or no good (NG).

FSE HEAD COACH BOBBY BOWDEN

"The defense played well enough for us to go to any bowl tonight. Scott Warren, Willie Jones, Fred Igaz...they all did a great job.

"Offensively, I didn't think we played well tonight. We didn't capitalize on their mistakes and made a lot of our own. Maybe, though, Memphis State had a lot to do with that.

"We got a lot of folks hurt. We might be as beat up as we've been all year.

"We used the blitz more than we have all season.

"I was very pleased with the play of both quarterbacks.

"I'm happy to win. I'll enjoy this one until tomorrow at noon when I'll look at the San Diego State film and probably have a heart attack.

"My team will figure very heavily in what we do about a bowl.

"Simmons didn't play a down tonight and I never thought before it started we could ever get through a game without him.

"Timing wise it was a poor performance on our part.

"Wally was doing a good job at quarterback but the out takes a strong arm and Jimmy Jordan has it. Right now I'd say that we just have two fine quarterbacks.

Richard Williamson quotes:

"They physically whipped us every way they could, and we made every mistake we could.

When Patterson got hurt we tried to stay with our game plan, but there were some things we couldn't do. Our punting was a problem, but ^{we} had others, also. I have no comment about the officiating. Florida State tried to capitalize on every mistake we made, and we gave them plenty of opportunities. Florida State is by far the best team we have played. (Asked about Patterson injury) Lloyd fell on his elbow. We'll have to check the injury when we get back. We'll know more tomorrow. We have alot of people beat up. "

QUOTES FROM THE FLORIDA STATE LOCKERROOM.....

JIMMY JORDAN -- Sitting on the bench hasn't been fun for me. But Wally has been doing the job for us. It hasn't hurt our friendship at all. When I first came in the game we needed a touchdown for sure. We had some great catches out there which made it look easy. They were giving us the outs and we were able to get our receivers open.

SCOTT WARREN -- I made a tackle early in the game which knocked me silly. I made some mental mistakes during the game and that may have been why. Their quarterbacks were good -- quick and hard to catch. We didn't seem to play as well as we could have but it was a good win for our seniors.

BILLIE JONES -- I was playing little further out than usual, about a yard, which ~~may~~ helped me get a better angle at their quarterback. When Memphis State got behind we knew they would go to the air which allowed us to be more aggressive on our pass rush.
