Head Coach Gilbert:

"We're so damned proud of all our people today...this game was the most magnificent effort and performance of any football team I've ever been associated with. Words can't describe my feelings."

"We were perfectly prepared for Florida State, and I want to commend my coaches for their efforts. Our first half was absolutely perfect."

"This is probably the biggest win ever in the Aztec program, and perhaps the biggest win of my career."

"Joe Davis had a super night. I thought he was flawless in the first half. Our offensive line did an excellent job also." And Deacon had another fantastic night...he's just great."

"Florida State is an excellent team, well-coached and disciplined...but we took the run away from them early."

"We expect to be nationally ranked this week."
