IMPORTANT: Most player categories are ranked on per-game average. Thus, it's vital that you consider every player (on both teams) with any statistics in any game this season (get season player statistics from both SIDs). Then list below the last name of players who have season figures but did NOT play in this game. All players with previous statistics will be charged with a game unless you indicate otherwise under DID NOT PLAY IN THIS GAME. A game played is one play—whether or not the player touches the ball. (For guidelines on a game played, refer to BI-7 in 1977 Official Football Statisticians' Manual.) If a player with first-time statistics has missed games, fill in below—after getting from his SID how many games missed.

FLORIDA STATE HEAD COACH DOBIE BOWDEN

"Men I'm doin fine tonight....better than last week. We probably didn't deserve to win it, but then again I though we should have won last week.

"Give Cincinnati all the credit in the world. They sure came back after geting blistered last week.

"We could not get any consistency at all tonight. Wally was as cold as I've ever seen him, but then Jimmy came in there. Thank goodness for the two quarterbacks.

"The play that won it for us was a 68 wide drag, X square in. It was a kind of 'Hail Mary' pass I guess.

"I should not be sitting here as a winner. I'm so happy a win is certainly better than a loss.

"This football team is ri t between the '76 and '77 football teams. We are very fortunate to win.

"I was amazed that two point conversion pass didn't go. We had seen film on all of Cincinnati's games this year nd they never before had covered the flat.

"Normally I would have kicked the extra point and tied the game with that much time left but we had reheared the two point conversion screen pass.

QUOTES FROM CINCINNATI HEAD COACH RALPH STAUB

We came down here and gave them are all. I'm extremely proud of all our players. We had fifteen freshmen and ten sophomores on our traveling squad. I think alot of them played like they were juniors or seniors.

Tonight our kids proved they could play with the best in the country. Florida State has a great football team - they deserve their national ranking.

They (Florida State) have excellent persännel, particularly at the skilled positions. They have two outstanding quaterbacks and (Jackie) Flowers showed me some great speed.

The first half we felt we had to control the football. We did not want them to have too many opportunities in the first half.

(On FSU's final TD) - We had a three deep and a five under. We were only rushing three people. Someone must have broke down on his assignment.

I think this was the best football game we have played all year. Again, I'm extremely proud of all our kids.
