

IMPORTANT: Most player categories are ranked on per-game average. Thus, it's vital that you consider every player (on both teams) with any statistics in any game this season (get season player statistics from both SIDs). Then list below the last name of players who have season figures but did NOT play in this game. All players with previous statistics will be charged with a game unless you indicate otherwise under DID NOT PLAY IN THIS GAME. A game played is one play—whether or not the player touches the ball. (For guidelines on a game played, refer to BI-7 in 1978 Official Football Statisticians' Manual.) If a player with first-time statistics has missed games, fill in below—after getting from his SID how many games missed.

FROM USM COACH BOBBY COLLINS:

"We just never got things going our way in the 2nd half. They ~~we~~ came up with two big scoring plays that we could not overcome.

"We knew we would have to play our best ~~and~~ without mistakes and we certainly did not do that.

"Florida ~~xxxxxxgand~~ State has a good football team and they certainly proved it this afternoon.

"I want the world to know that we are proud of our football team and the accomplishments ~~it~~ it has made to date. We have pledged to play the next three games like our life depended on it."

"I also want to say that I was keenly disappointed in the size of the crowd. I don't know what our people want. I will say again we are going to play the next three the best we possibly can.

FROM FSU HEAD COACH BOBBY BOWDEN

"We played good today. I ~~xxxxxxpmm~~ hope it's the beginning of something good. We still have a lot to learn.

"Maybe today we overcame some of the injuries that have hurt us since the Cincinnati game.

"Wally Woodham is very important to this football team. We must have him throwing. I think there were at least two touchdown passes where Wally threw on busted plays.

"Sam Platt kept them honest with his ability to get open. Southern Mississippi covered Jackie Flowers just like we thought they would, using their best defender.

"Our defense played better in the second half. We got a better pass rush.

"I'm very pleased with the win. Southern Mississippi is a good football team. They play together. They reminded me some of our team last year the way they fight and ~~fight~~ slug.

QB Wally Woodham

The offensive line did a super job of blocking for both the pass and rush. The two touchdowns passes early in the second half were called by the coaches.

"It felt good to be starting again. I needed this for my confidence. I was a little nervous at the start but things got easier as we went along.
