IMPORTANT: Most player categories are ranked on per-game average. Thus, it's vital that you consider every player (on both teams) with any statistics in any game this season (get season player statistics from both SIDs). Then list below the last name of players who have season figures but did NOT play in this game. All players with previous statistics will be charged with a game unless you indicate otherwise under DID NOT PLAY IN THIS GAME. A game played is one play—whether or not the player touches the ball. (For guidelines on a game played, refer to BI-7 in 1977 Official Football Statisticians' Manual.) If a player with first-time statistics has missed games, fill in below—after getting from his SID how many games missed.

BILL DOOLEY, VIRGINIA TECH: "Our players gave a good effort and just came up on the short end of it. I congratulate the Florida State team and the FSU coaching staff.

Florida State is very explosive. They have an excellent quarterback and fine receivers. When the quarterback goes back to throw the pass, about all you can do is hold your breath and hope.

I thought we played very well in the first half. We made the big plays on defense when we had to and we got a good offensive performance. This is the first time in a good while that Kenny Lewis has been completely healthy. I think he showed what a fine running back he is.

We just weren't consistent on offense in the second half and Florida State certainly had a lot to do with that. If we could have kept something going on offense, we would have had a good chance to win the game. Our defense didn't give Florida State any easy scores until there at the end. They had to work for everything they got. I might add that we did too.

Again, I congratulate FSU. And I was proud of the effort of our football team.

BOB BY BIRDEN, FLORIDA STATE: "That was another good Hokie-Seminole game. "Our defense is playing better, except for every game we seem to give up one big play...it just kills us. Tonight it was that long TD run by Virginia Tech in the first half.

"I hope we didn't get too beat up in this one. There were a couple of kids who came off the field injured.

"It looked like we had stage fright out there in the ~~EE~~ first half. There were too many dropped passes. ~~ME~~ We didn't make the big catch enough. That is one of the differences between this year's team and last year. Last year we would have made some of those catches.

"We ran so much because we are trying to establish a good running game. It's tough to ~~XXXXXXXXXX~~ pass the ball for completions when everyone is expecting you to put it in the air.

"Homes Johnson now wants to play and practice hard. I'm not as concerned about Homes' attitude as I am about what the attitude of our players is toward him.

"Virginia Tech has a lot of pride and so does their head coach Bill Dooley. That is why they ~~EEEE~~ were able to play so well against us.

"I thought about changing quarterbacks and almost did. If we would have fallen behind by another TD you would have seen Jimmy in there.

"We played pretty good."

Mark Lyles

I was trying to do my job as a fullback, get those tough yards up the middle.
It was a tough game, but we knew we had to win to save face.
The loss of weight has helped my quickness and increased my confidence.
The offensive line did a tremendous job tonight. We got back to basic football.

Ron Simmons

On fumble: Willis had the man in the end zone, he pitched out and I just picked it up.
We lacked technique in the first half. We weren't playing bad, we were just missing the easy plays.
The only adjustments we made in the second half were mental.
We're not even thinking about a bowl. We're just taking one game at a time.

Willie Jones

We made a couple mistakes in the first half that lead to their touchdowns.
We just became aggressive in the second half.
On fumble: I was lined up next to the tightend and just read the play as a pass.
He (Casey) just layed the ball down on the ground.
We just try to hold their defense down untill our offense can get on track.
I gave much more effort this week than last. If I gave all my effort, no one can stop me.

Holmes Johnson

I was mentally ready this game. I just wanted to play football.
The offensive line did a great job. We played good solid football.
I really can't say this is my best game. I still looking forward to playing in a full game.
The receivers were covered tonight, so Wally had to use me coming out of the backfield.
I was just doing what I had to when we needed it.
I'm going to try to make this team much more successful than it's been in the past.
