IMPORTANT: Most player categories are ranked on per-game average. Thus, it's vital that you consider every player (on both teams) with any statistics in any game this season (get season player statistics from both SIDs). Then list below the last name of players who have season figures but did NOT play in this game. All players with previous statistics will be charged with a game unless you indicate otherwise under DID NOT PLAY IN THIS GAME. A game played is one play—whether or not the player touches the ball. (For guidelines on a game played, refer to BI-7 in 1980 Official Football Statisticians' Manual.) If a player with first-time statistics has missed games, fill in below—after getting from his SID how many games missed.

QUOTES FROM THE NEBRASKA LOCKERROOM

Coach Osborne

"They(Florida State) played very well. I am proud of the way our players came back at the end. We couldn't overcome our mistakes today. They hit us hard and caused some of the turnovers. I think they(Fla.St.) did a good job of coming back(from last week) We got beat up pretty bad. Jarvis Redwine got hit in the ribs and kidneys. We're disappointed in our mistakes. We're going to have to concentrate. If not for the 15-yard penalty(holding in the last drive), we've have been in the end zone. The defense played pretty well. At times they bent but didn't break.
~~We failed to take care of our mistakes~~

The strongest part, we thought, was Florida State's Defense and it turned out it was.

Quarterback Jeff Quinn

(On Roger Craig's run in last seconds) I thought it was going to score for a second. On Fla. St. Defense) I'd rate it up with the best I've played against. They made some changes at half time and shut us down. They came out and hit us harder in the second half. (On being 6 of 8 early in the game) In the first quarter, we threw a lot of short passes. (On second interception) I forced it. ~~Somebody caught it~~ (On Fla. St.'s Simmons) A lot of guys are mouthy but he had a lot of ~~extraordinary~~ class. -- their whole team did. I thought we were really prepared. We had a good week of practice. Defensively, they just shut us down. (On last play) It would be nice to have it back. I blew a chance in a million I guess.

To win the Big 8, win it outright, get to the Orange Bowl and possibly play for something big. It's not over by a long ways(The Season.)

We've just got to keep playing

Receiver Todd Brown

We just didn't play very well.

Losing a game like that kind of erases the memories of the touchdowns. They had a tremendous kicking game. We'd put them in a hole and he'd(punter) get them out of it.

We have a quality group, it will hurt but we'll bounce back.

Offensive tackle Dan Hurley

"It's tough for everybody. We've got to come back and go to our goal of winning the Big 8. Their defense was good. I think they started starting more in the second half. (At halftime) We were pretty concerned. Intensity wasn't there in the third quarter. Playing Iowa, Penn St. and Florida Stat, they are probably the three most physical teams we will play.

Defensive End Jimmy Williams

(On last drive, what the defense can do) ~~It~~ The best you can do is sit and pray. Our mistakes were a big factor. They ~~was~~ (Fla. Sta) made it hard for us to return punts and kickoffs. It's tough to lose for everybody, especially the seniors, it's their last year. They(Fla.St.) didn't surprise me. They showed us nothing new. They are a good football team.
