Florida State Quotes
Bobby Bowden

"We had to have an advantage and we just flat didn't get it. When the rains came it got cold. You aint gonna believe it but It was cold. I guess you just can't ~~HE~~ count on that. They handled it better than we did. They adjusted to our options and when they shut it off we were in no position to pass. It was just too wet. It was like ~~I~~ trying to ~~THROW~~ throw a brick. I definitely think Pittsburgh should be a number one coming down here and beating us like that. It takes quite a football team to do that. "

Pittsburgh Quotes
Foge Fazio

The big factor in the game was the rain unfortunatley for Florida State. It just went our way then. I told ~~EEEEH~~ coach Bowden after the game that it could have been a real high scoring game had the rain not come.

We were down 10-0 and then getting that field goal from Schubert helped. Then Danny started finding his range and wverything started going our way after the momentum had been in FSU's favor. Our special teams did a good job--the punt and kickoff teams.

Marlon McIntyre had a good day and I think our offensive line started dominating them in the second half.
