Bob Weber--Louisville

"That's a great football team we lost to tonight, we worked ~~are~~ butts ~~6~~ off. We having nothing to be ~~ashamed~~ ashamed of. I guess you never can be proud when you take a beating like we did tonight but the ~~effort~~ effort was good, we just happened to be playing an exceptional team.

"Greg Allen is a great runner and when he ~~gets~~ gets close to the goal line he really has a sense for getting in. He may be the best we've seen this year.

"I really think that blocked punt really hurt us. When you get down by 14 points ~~xx~~ to ~~x~~ a team like florida State it is extremely difficult to come back

"This year has been a disaster for us defensively. We have been so decimated with injurics, it is hard to get any consistency.

"Florida State has as good as skill people that we have played. Their team speed is ~~xx~~ excellent."

IMPORTANT: Most player categories are ranked on per-game average. Thus, it's vital that you consider every player (on both teams) with any statistics in any game this season (get season player statistics from both SIDs). Then list below the last name of players who have season figures but did NOT play in this game. All players with previous statistics will be charged with a game unless you indicate otherwise under DID NOT PLAY IN THIS GAME. A game played is one play—whether or not the player touches the ball. (For guidelines on a game played, refer to Official Football Statisticians' Manual .) If a player with first-time statistics has missed games, fill in below—after getting from the SID how many games missed.
