FLORIDA STATE VS. EAST CAROLINA
COACHES QUOTES

FLORIDA STATE HEAD COACH BOBBY BOWDEN

"Boy am I glad that one is out of the way. I didn't feel like our defense was as bad as the score indicated (chuckles) just think they had a punt return and kickoff return for TDs. If it weren't for those, they would only have scored 39 points. I was impressed with their execution, their kicking game was better than ours. I felt that Lowrey and our offensive line and our receivers performed outstandingly. With all of these people injured on the offensive line, the guys that had to come in there and do the job tonight were the real heroes."

EAST CAROLINA HEAD COACH ED SMORY

First off of all I just want to say that this game is an embarrassment to the State of Florida, Florida State and to the great program of coach Bowden. His team fought its heart out and ours did to and then to have three officials decide the outcome of the game. There were at least seven calls made that were unbelievable. The pass interference, the trapped balls and the last fumble. I can't believe that they would take it away from us like that.

I felt good by our offensive effort, but I really didn't think Florida State would be able to score as easily as we did. I've always told this group that we can make mistakes and there's not nothing wrong with that but when there's a lack of effort, we can't excuse that. I think maybe our defensive effort may have been lax in some places.

"We did not do anything special to play FSU. Hey, I have the philosophy that you can't control what your opponents do. You have to be able to go out there and control your own ~~shameless~~ destiny."

It's a long season and we'll be back. This game was tremendously important to us in terms of what it could have done for our program but it's over and we must get ready for our next game/

SCORING SUMMARY

List all scoring plays in sequence. "Time left" means time remaining in the quarter at the conclusion of the scoring play. Under "play," to save you time, please use only: Rush, Pass, INT, PR, KOR, FUM, FG, or SAF (instead of writing out interception, punt, kickoff and fumble returns, field goal or safety).

On pass play, list passer first, then receiver and combined yardage of pass and

run. All plays are measured from the line of scrimmage except field-goal attempts—from the point of kick to the goal posts (goal line plus 10 yards).

After each touchdown, please continue on the same line and under "FOR EXTRA POINTS ONLY" check (✓) type of PAT (kick, pass or run) and whether good (G) or no good (NG).
