Bobby Bowden

"We played pretty sloppy tonight but we had great effort. There's no way I can explain in words how great it is to get back home. I guess you have to go and lose three in a row on the road before you can really realize how much the home crowd means. They were a factor in this game. This is the first game where all three elements performed well. Overall, this is the best we've played (offensive-defense-kicking game). I was happy with our offense because tonight we played two complete units all night. Defensively, this was our best game. I talked to Wayne McDuffie (offensive coordinator) about the two-unit business but we usually chicken out. Tonight we decided to go with it.

About the Gold Jerseys: "Our boosters and athletic department decided this year would be the Great Gold Rush. They asked me if we would wear gold uniforms. I told them I'd wear anything if they gave it to me. I'll wear anything free. It looks like we'll have to wear them next week too cause we won. We may be stuck with them. The gold jerseys did not win the game though but we were looking for a change because things hadn't been going too well."

"I was happy that we played Allen and Snipes equally. If we could just keep Snipes healthy he could be a great one."

Watson Brown
Cincinnati

"They (FSU) is a fine football team and I'm not going to make excuses for this game. They knocked us back on offense and they knocked us back on defense and we just got whipped pretty bad.

"I think we were still in it for a long time. We closed to within six points shortly after half time and I thought we had some momentum going but they take the kickoff and just march 80 yards down the field.

"I thought the blocked punt or sack was a key play. We get the kick off for 45 yards or so and we get hit with a procedure penalty. The next snap was low or dropped and when you ~~also~~ do that punting your dead. It ~~was~~ was an easy six for them.

"It seems we were able to drive but when they got down ~~inside~~ near the goal line FSU was able to stop us when they wanted to."

IMPORTANT: Most player categories are ranked on per-game average. Thus, it's vital that you consider every player (on both teams) with any statistics in any game this season (get season player statistics from both SIDs). Then list below the last name of players who have season figures but did NOT play in this game. All players with previous statistics will be charged with a game unless you indicate otherwise under DID NOT PLAY IN THIS GAME. A game played is one play—whether or not the player touches the ball. (For guidelines on a game played, refer to Official Football Statisticians' Manual.) If a player with first-time statistics has missed games, fill in below—after getting from the SID how many games missed.

SCORING SUMMARY

List all scoring plays in sequence. "Time left" means time remaining in the quarter at the conclusion of the scoring play. Under "play," to save you time, please use only: Rush, Pass, INT, PR, KOR, FUM, FG, or SAF (instead of writing out interception, punt, kickoff and fumble returns, field goal or safety).

On pass play, list passer first, then receiver and combined yardage of pass and

run. All plays are measured from the line of scrimmage except field-goal attempts—from the point of kick to the goal posts (goal line plus 10 yards).

After each touchdown, please continue on the same line and under "FOR EXTRA POINTS ONLY" check (✓) type of PAT (kick, pass or run) and whether good (G) or no good (NG).
