Quotes from coach Bobby Bowden-----

"This was definatly our best game so far. We are playing a lot of kids and tonight we were just able to wear them down. We just had too much for them tonight down here.

Our defense is just getting better and better every week. They are playing 60 minutes with some intensity. I can say the same thing about our offense tonight. We're getting great effort the last two weeks.

It was a shame their quarterback got hurt and I'm sure that took something out of them. That wasn't the main factor, though. I think it was our better depth that really took its toll.

ONE EXTRA TIME FOR ARIZONA STATE -- We need the extra work because they are a great team. But I don't think that will be much of a factor. We've got a little time to get over some of our nagging injuries and that's the biggest plus. The preparation time won't help us all that much.

GREG ALLEN --

We're just playing good football right now. Our offense seems to be clicking and I think its really because our offensive line is controlling the game. They are really blocking. Playing two different teams helps us too. It keeps us all fresh. Look, this is the second straight game Rosie and I have had good games. It just like last year when we had me and Ricky (Williams).

ALPHONSO CARREKER

We've got it together now. I thin that its the fact that we are playing alot more poeple. Everybody had has a lot more confidence. Another thing is that we are better organized than we were earlier. Everybody knows what we've got to do on ~~an~~ every play and it just makes it a lot easier on all of us. We're ~~xxxx~~ really getting it together.
