COACHES QUOTES FLORIDA STATE VS. MIAMI

Bobby Bowden, Florida State

"That's four times this year we've lost that way. It's just one of those years. We played hard. That's as good a game as we've played all year. It was like the Auburn game. Miami is not the same football team we saw last year. That guy has got to be Coach of the Year. Kosar is a great quarterback. Guys like him can beat you a lot of ways. He's going to be a good one. Shoot, he's already a good one and he's only a freshman. Our failure to make a first down at the end was what really hurt. Then their running game hurt us. That guy broke a long run on the last drive and that put them in position. (About the bowl situation:) I haven't thought about it. I was counting on winning this game and getting back into the picture. Now I just don't know. It's hard to think about. (On the missed field goals:) He's been kicking them that far in practice but that's really testing our range. We had three chances and didn't get any of them. "

Howard Schnellenberger, Miami

"I just want to say that I am proud of both teams and coach Bobby Bowden. You saw two great teams playing a great ball game. But although I'm proud of FSU, I am ~~xxxxxxproudest of our players and~~ proudest of our players and our coaches. They did a great job tonight."

"This was a fairybook story with a ~~fairly~~ fairybook ending. I never ever dreamed that a season would go like this. I guess ~~xxxx~~ it's fitting that the game went down to the fourth quarter and even to the final play."

"I said earlier in the week that I didn't think Florida State's defense was that good. I guess that just goes to show you what a lousy judge of talent I must be. Florida State has a fine defense. They were on Kosar all night to the point that I didn't think he would return."

Governor Graham:

This was a fantastic game for the state of Florida. I think it's really indicative of the type of football that's played in this state and I congratulate both teams.

Home Team FLORIDA STATE First Downs: (Rush) 14 (Pass) 6 (Pen.) 2 Total 22 Penalties Against: (No.) 6 (Yards) 56 Own Fumbles: (No.) 1 (Lost) 0

IMPORTANT: Most player categories are ranked on per-game average. Thus, it's vital that you consider every player (on both teams) with any statistics in any game this season (get season player statistics from both SIDs). Then list below the last name of players who have season figures but did NOT play in this game. All players with previous statistics will be charged with a game unless you indicate otherwise under DID NOT PLAY IN THIS GAME. A game played is one play—whether or not the player touches the ball. (For guidelines on a game played, refer to Official Football Statisticians' Manual.) If a player with first-time statistics has missed games, fill in below—after getting from the SID how many games missed.

SCORING SUMMARY

List all scoring plays in sequence. "Time left" means time remaining in the quarter at the conclusion of the scoring play. Under "play," to save you time, please use only: Rush, Pass, INT, PR, KOR, FUM, FG, or SAF (instead of writing out interception, punt, kickoff and fumble returns, field goal or safety).

On pass play, list passer first, then receiver and combined yardage of pass and

run. All plays are measured from the line of scrimmage except field-goal attempts—from the point of kick to the goal posts (goal line plus 10 yards).

After each touchdown, please continue on the same line and under "FOR EXTRA POINTS ONLY" check (✓) type of PAT (kick, pass or run) and whether good (G) or no good (NG).
