Druce Arians--Temple

"I thought we played a good game with the exception of the kicking team performance ~~and~~ and that cost us the game.

"The key to the game was the blocked field goal, instead of being three points for us, its 10 for them--that's a ten point swing and made the difference.

Stopping "We knew that Wessel boy had two or three blocks coming in and we worked on ~~stopping~~ him. The first block was a mixup on our part and the second was a missed assignment all together. We need to get that straightened out.

"I'm proud of my team--they played their hearts out and lost to a ~~great~~ great Florida State team. I'll tell you something--coach Bowden and his team is a class act and has what it takes to go all the way."

"It was the best we've played offensively all year. We were practically even on total offense. We just made too many mistakes at the wrong time.

Bobby Bowden--FSU

Our kicking team won the game for us. They got us so far ahead our sloppy play and mistakes didn't hurt us. A lot of that had to do with how well Temple played. They were a poised, well coached football team

"We were just too much for them in Tallahassee, Fla. I told our kids I was pleased that we won we didn't play as well this week but you can't expect to do it every ~~ex~~ week. We just had too many penalties and mistakes.

"We felt like we would be able to either block a kick or return one tonight Our defensive staff worked on that all week. Joe Wessel is really turning into an expert at that. He got two more tonight.

Note on Heisman from Bowden--"I was glad Greg had another good night. But I'll tell you something about that Heisman thing--It ~~ex~~ may turn out to be the guy who survives 11 games. You saw what happened to Greg late. He isn't hurt bad but that's the kind of thing that can take you out completely. We want to see him make it through all 11 games and we'll see what happens
