COACHES QUOTES

FLORIDA STATE HEAD COACH BOBBY BOWDEN

"Just like last year, they just came back and snatched that victory. It was no broken play this year or broken coverages, they just did it. I thought we had it. We had the game won and in the last two minutes they got us again. I thought going in they'd have to be better than us to beat us and tonight I think they were. They got outside better than I thought and they were much faster than I thought. We can't imitate that kind of speed in practice. It was one of those nights. It seemed like we had to work hard for all of our points and then they get an easy one. We probably got a few cheap ones too. I thought we could stop their run; they haven't run the ball that well against anybody else. They just executed well. They had no turnovers. There's your difference. If they turn the ball over three times, we probably whip them."

AUBURN COACH PAT DYE

"Pat Dye--This game was unbelievable. We've never ever been in one like this one--Florida State's probably used to these--we're not.

"Didn't expect it at all----Lord have Mercy. This was the all timer

"I knew what we were getting into. I knew if we ~~were~~ were going to be a good ~~times~~ team tonight was the night we had to come out.

"This was probably the greatest game ~~ever~~ I ever was associated with. I'm so proud of our guys. We took a young team and tonight was the night we ~~had~~ had to do it."

Florida State notes: with Hassan Jones' two touchdown catches, he now has seven for the season, tying him for 5th place on the season list with four other players. Jones also has 12 in his career, moving him into 7th place ~~on~~ on the career chart with three other players....Hessie Hester's TD catch gave him 16 for his career and moved him into a tie for third place with former Pro receivers Mike Shumann and Fred Biletnikoff.

AUBURN PLAYER QUOTES

Quarterback Pat Washington: "We really needed it bad on that last drive. We ~~were~~ united as an offense and there was no way they were going to stop us. We wanted the win too bad. This is the craziest game I've ever played in. I thought it would be a high scoring game--but not this high. Both teams did well offensively."

IMPORTANT: Most player categories are ranked on per-game average. Thus, it's vital that you consider every player (on both teams) with any statistics in any game this season (get season player statistics from both SIDs). Then list below the last name of players who have season figures but did NOT play in this game. All players with previous statistics will be charged with a game unless you indicate otherwise under DID NOT PLAY IN THIS GAME. A game played is one play—whether or not the player touches the ball. (For guidelines on a game played, refer to Official Football Statisticians' Manual.) If a player with first-time statistics has missed games, fill in below—after getting from the SID how many games missed.
