COACHES QUOTES

Florida State

Bobby Bowden

"The kicking game was the difference tonight. They put enough points on the board to win the game. I didn't see a spark of fire in practice all week. Not one spark. I was afraid we were going to get whipped tonight. It was a case of the offense doing so well last week and tonight they thought nobody could stop them. They just couldn't get anything going. Last week the defense was embarrassed and they came back tonight, worked hard and only gave up two field goals. We thought we could get a blocked kick tonight. Some teams you play you can watch the film and you feel like you can get one. We've worked hard on blocking punts all year and we've spent a lot of time on that this week. This was one of those games we felt like we could win if we didn't make any mistakes. We played a little conservative and that's kind of un-FSU-like."

Tulane

Wally English

"Obviously the kicking game hurt us. We have two of our starters on our punt team injured. This is the first time in my life in any team I've been associated with that I've had a punt blocked. Obviously they are excellent in the kicking game. We had our chances. We just have to become more consistent as a football team. I couldn't be prouder of our effort both offensively and defensively. Everyone knows the weapons Florida State has. I think we played them jaw to jaw. It wasn't one of Kenny Karcher's better games but I thought David McLaughlin came in and did well. We felt like we had to come away with some points (on the missed field goal in the third quarter rather than go for a first down)"

IMPORTANT: Most player categories are ranked on per-game average. Thus, it's vital that you consider every player (on both teams) with any statistics in any game this season (get season player statistics from both SIDs). Then list below the last name of players who have season figures but did NOT play in this game. All players with previous statistics will be charged with a game unless you indicate otherwise under DID NOT PLAY IN THIS GAME. A game played is one play—whether or not the player touches the ball. (For guidelines on a game played, refer to Official Football Statisticians' Manual .) If a player with first-time statistics has missed games, fill in below—after getting from the SID how many games missed.

SCORING SUMMARY

List all scoring plays in sequence. "Time left" means time remaining in the quarter at the conclusion of the scoring play. Under "play," to save you time, please use only: Rush, Pass, INT, PR, KOR, FUM, FG, or SAF (instead of writing out interception, punt, kickoff and fumble returns, field goal or safety).

On pass play, list passer first, then receiver and combined yardage of pass and

run. All plays are measured from the line of scrimmage except field-goal attempts—from the point of kick to the goal posts (goal line plus 10 yards).

After each touchdown, please continue on the same line and under "FOR EXTRA POINTS ONLY" check (✓) type of PAT (kick, pass or run) and whether good (G) or no good (NG).
