COACHES QUOTES

FLORIDA STATE

HEAD COACH BOBBY B OWDEN

"I told the kids before the game I'd rather win 3-0 than 55-50. The defense needed a game like this. Somebody said it was our first shoutout in 44 games. I'm just glad we could have a game like this. At this time in the season. Coker did well and we were glad that Eric (Thomas) did not have to play. It will give him another couple of weeks to heal. What we did tonight was just basic football. We wanted to establish the running game and play good defense. Snipes had a great game. I have a lot of confidence in him but he's not all that durable. Every time he carried I was just hoping he wouldn't get hurt. I would much rather have Allen and Snipes than just Snipes. Tony Smith did well also. He must have averaged 10 yards a carry--he showed us he could do the job!"

Comment on Florida--"I'm so happy that they finally won that thing. They deserve it. They kept coming in here every time they lost it and taking it out on us. They not only deserved it but they are the best team in the SEC."

TENNESSEE-CHATTANOOGA

HEAD COACH BUDDY NIX

"First of all I want to say that Florida State has a great football team and a great football tradition. This was a good learning experience for our kids and I told them in the locker room that they had better get used to playing teams like this because we're going to play a bunch of them in the next few years. It was good for our seniors and it will be very beneficial to our underclassmen. Our season is not ending on this note because we have something to look forward to in the playoffs and after playing these guys tonight, anybody that we should play will look like they're moving in slow motion. This may come as a surprise to a lot of people in Chattanooga but I actually felt coming into this game that we could win it. Now I agree that it would have taken a lot of different things to happen. But I would not have come down here if I knew we were going to lose."

IMPORTANT: Most player categories are ranked on per-game average. Thus, it's vital that you consider every player (on both teams) with any statistics in any game this season (get season player statistics from both SIDs). Then list below the last name of players who have season figures but did NOT play in this game. All players with previous statistics will be charged with a game unless you indicate otherwise under DID NOT PLAY IN THIS GAME. A game played is one play—whether or not the player touches the ball. (For guidelines on a game played, refer to Official Football Statisticians' Manual .) If a player with first-time statistics has missed games, fill in below—after getting from the SID how many games missed.
