COACHES QUOTES

FLORIDA STATE HEAD COACH BOBBY BOWDEN

"The only way we could beat those folks was to play error-less football. We preached no turnovers all week. We just didn't execute good enough. Florida is the best team we've played this year and probably the best team in the country. I would not have picked a rainy, muddy night to have a chance to beat them. They remind me of that Pitt team a couple of years ago. The wet field neutralized our speed. Galen Hall has been just the tonic for them--they played loose and they weren't afraid to do anything. They even threw the ball down there when they had a lead. We just aren't good enough to beat them unless we play error-less ball. Florida is as good maturity-wise and athletically as we've seen. They deserve as high a ranking as they can get. Now I've got to go make those speeches in the spring and everybody will ask me why we lost to the Gators again. That's the toughest part: having to face that every year. I think I'll cancel."

FLORIDA HEAD COACH GALEN HALL

"The whole season showed the character and the poise that this team is made up of. It's a great football team and I'm going to make the statement now that I truly think that with the schedule we've played this year we're the best football team in the nation. What happens in the bowls happens in the bowls and I think this football team is very deserving of this ranking. I've been with some very fine football teams in the past and I think overall this ranks up there with the best. I thought our defense played well all day: anytime you hold Florida State to 17 points is a great defensive football game. I would like to compliment Florida State. They fought hard all game and are a very fine football team. I wish them the best of luck in the bowl game and it's a great tribute to them that it was this tough of a football game."

IMPORTANT: Most player categories are ranked on per-game average. Thus, it's vital that you consider every player (on both teams) with any statistics in any game this season (get season player statistics from both SIDs). Then list below the last name of players who have season figures but did NOT play in this game. All players with previous statistics will be charged with a game unless you indicate otherwise under DID NOT PLAY IN THIS GAME. A game played is one play—whether or not the player touches the ball. (For guidelines on a game played, refer to Official Football Statisticians' Manual.) If a player with first-time statistics has missed games, fill in below—after getting from the SID how many games missed.
