COACHES QUOTES

FLORIDA STATE HEAD COACH BOBBY BOWDEN

About QB Mike Norseth--"I've never lined up against a better quarterback. He was able to complete passes all night and when he couldn't find anyone open he was able to run for the first down. There may be a better quarterback in the country but we have not played him yet. "

"The two penalties on the punt on the end of the second quarter really turned the momentum in their favor. We could have committed suicide but fortunatley our defense played another strong second half.

We thought about going to Chip Ferguson earlier in the third quarter but we didn't want to panic. We were within three or seven points most of the time, but when we fell behind by 10 we knew we had to do something. As far as the decision to start Kirk, we decided that the only thing we needed to do was to avoid mistakes. That's why we went with a senior.

We ran two tight ends for most of the game and I don't like that formation but our wide receivers were so banged up we thought that was the best game plan. You can see how it can limit your offense."

KANSAS HEAD COACH MIKE SCOTTREID

"I don't think they were any more tired than we were. They came on and we didn't. I wasn't surprised by the interceptions. When you throw a lot you're going to have interceptions.

It's a coaches job when it's a 24-20 game to find a way to get into the endzone. There's no consideration for being close."
