AUBURN PLAYER QUOTES

KEVIN PORTER, defensive back (On his interception and yard return for a TD)- "This was one of the biggest thrills of my life because it was such a big game. Practice this week was tough and we didn't want to give up any points, but we knew someone would score so we just tried to hold them to as few points as we could."

FREDDIE WEYGAND, split end (On his reverse plays) "You could tell that they were good calls because of the effort of the offensive line. When I turned up field I saw nothing but blue jerseys in front of me."

BO JACKSON, Tailback- "The fourth quarter, we made them make their own mistakes and then we took advantage of them. On my TD run, I took my time and kinda squeezed through the blocks. I didn't think the game would come down to the end like it did, but rather I thought it would come down to the kicking game. I think FSU is a class bunch of guys."

NATE HILL, defensive tackle- "The defense played very well, but we had some breakdowns. At the end, we came together at the most important time."

PAT DYE QUOTES

"I had no idea it would turn out like this (59-27). This game was the best indication of what kind of football team we are than anything else this year."

"This is one of the biggest wins since I've been here. I don't know when I've had this much fun!"

"There were some tired souls in the dressing room, but some very happy ones."

"This was a typical AU-FSU game for three quarters, but the mistakes and turnovers caused it to break open."

"I was impressed with FSU. They had a good plan for us. It wasn't easy to get yardage. They're going to win a lot of football games this year."

"We got a little conservative during the game. But why throw when you can run three times, make a first down and use up time on the clock."

ON GEORGIA TECH: "We will do everything we can do to prepare for Georgia Tech. We'll approach practice a little differently this week. Right now, we are a little bruised up and a little fatigued."

"The bottom line is, this is a great group of kids, with good mammas and daddys and good hearts and souls."

QUOTES FROM FLORIDA STATE - AUBURN GAME

FSU HEAD COACH BOBBY BOWDEN

"I was pleased with our guys effort today. Bo Jackson was the difference in the game. Obviously he's one of the greats of all time. I think if we would have had him we probably would have won the game. The teams were fairly even, he's the difference.

"Auburn bases its defense on its pass rush. We had receivers open all day, we just had a hard time getting the ball off."

"Agee's run was a key play. We closed to within four and I had a chance. We were obviously over playing looking to stop Bo, when they went to Agee and he got past the line, I knew we were in trouble.

"When they went for that fourth down play and we held, I thought we had a chance to pull one out. I probably would have kicked the field goal to go two scores up, but when you have an explosive offense like Auburn's you probably have enough confidence in it to pick up the one yard.

TODD STROUD

"The score was no indication of what the game was like. The game turned on Agee's run. It was a four point game with six minutes to go.

"I thought Jackson was exceptional. Maybe the best we've ever played against. He has the ability to bounce off the initial hit."
