COACHES QUOTES

Florida State Head Coach Bobby Bowden

"That was a heck of a football game. They put a lot of pressure on our quarterback. They did a lot of blitzing. I can't fault my players. They played hard. Testerverde was just too much for us.

"That and the fact we couldn't get anything done in the second half. You could really see the difference between our guy who's a freshman and their guy who's an experienced fourth year player.

"No doubt in my mind Testerverde was the difference. Kosar never hurt us like this guy. I thought Ferguson played well for a freshman. We knew we had to throw and that's what he does best. You saw we tried some other things, but they were too tough for us.

"Bowls don't interest me at all right now. I would think we knocked ourselves out of a major. The only thing that interests is winning the next ball game.

Miami Head Coach Jimmy Johnson

"This game says something about the type of kids we have here. I was so happy that we were able to come back and play as well as we did in the second half. We didn't lose our poise despite the breakdowns in the kicking game in the first half. It really gave Florida State the momentum.

"This was a great, great football game and a credit to both squads. FSU did a good job preparing for us.

Bobby Bowden is one of the finest coaches in America and Florida State is one of the finest teams in the country. I think we're pretty good too.

"Overall, I thought the second half was fantastic. We told our kids at the half to just go out and play with intensity. We knew that our defense had the ability to shut down FSU and keep them out of the endzone. Our offense was able to take control and that was the difference.

COACHES QUOTES

Florida State Head Coach Bobby Bowden

That was a heck of a football game. They put a lot of pressure on our quarterback. They did a lot of blitzing. I can't fault my players. They played hard. Testerverde was just too much for us.

"That and the fact we couldn't get anything done in the second half. You could really see the difference between our guy who's a freshman and their guy who's an experienced fourth year player.

"No doubt in my mind Testerverde was the difference. Koser never hurt us like this guy. I thought Ferguson played well for a freshman. We knew we had to throw and that's what he does best. You saw we tried some other things, but they were too tough for us.

"Bowls don't interest me at all right now. I would think we knocked ourselves out of a major. The only thing that interests is winning the next ball game.

Miami Head Coach Jimmy Johnson

"This game says something about the type of kids we have here. I was so happy that we were able to come back and play as well as we did in the second half. We didn't lose our poise despite the breakdowns in the kicking game in the first half. It really gave Florida State the momentum.

"This was a great, great football game and a credit to both squads. FSU did a good job preparing for us.

Bobby Bowden is one of the finest coaches in America and Florida State is one of the finest teams in the country. I think we're pretty good too.

"Overall, I thought the second half was fantastic. We told our kids at the half to just go out and play with intensity. We knew that our defense had the ability to shut down FSU and keep them out of the endzone. Our offense was able to take control and that was the difference.
