FLORIDA TEAM NOTES

- * Florida's victory over Florida State was the Gators fifth consecutive triumph over the Seminoles.
- * Florida has now won eight of the last nine combined games against in-state rivals Miami and FSU (5-0 vs. FSU and 3-1 vs. Miami).
- * Florida finishes the 1985 season with a regular season record of 9-1-1. This ties the 1984 squad for the all-time best regular season record in school history. It marks just the third time in school history (1975 and 1984 were the others) that UF has won nine games in a regular season.
- * 1985 is the third consecutive year Florida has posted nine wins. BYU and Nebraska are the only other teams in the nation to win at least nine games in each of the last 3 seasons (Note - Auburn and Ohio State could join the group with one more win this season).
- * Florida's 27 victories in the past three years is the best three year tally in school history. The old mark (26 games in three years) was held by the 1982-83-84 squads.
- * Florida is now unbeaten in its last 20 games at home. Florida has not lost at Florida Field since a 24-13 setback to LSU in 1982. The only teams to knick Florida at home since 1981 are LSU (a victory in 1982 and a tie in 1984) and Rutgers (28-28 tie in 1985). Overall, Florida is 27-1-2 at Florida Field since the start of the 1981 season.
- * Florida is 17-0-1 at home versus non-conference opponents since the start of 1981. Overall, Florida is 21-4-2 versus non-conference opponents since 1981.
- * Florida's record since the start of the 1984 season is 18-2-2.
Florida's record since the start of the 1983 season is 27-4-3.
Florida's record since the start of the 1981 season is 35-8-3.
- * In all likelihood, Florida will be ranked in the top six in the final AP poll. This will mark the 3rd straight year Florida has been ranked in the top six in the final AP poll. Nebraska is the only other school in the nation that might be able to match that achievement over this time period depending on what the Cornhuskers do in a bowl game.
- * Florida has defeated five teams (Miami, LSU, Tennessee, Auburn and Florida State) that are now ranked in the top twenty.
- * Florida has passed for 200 or more yards in 9 of 11 games this fall.
- ~~* Florida has won 11 straight games when a back has rushed for 100 yards.~~
- * 24 of Florida's 34 TD's in 1985 came through the passing game.
- * Gator defenders picked off 4 FSU passes. This was the most interceptions against a single opponent in 1985.
