## COACHES QUOTES

### FLORIDA STATE HEAD COACH BOBBY BOWDEN

"We needed a win real bad. They kept asking me all week about a big win and I just kept saying we need a win of any kind. What we needed was to be 2-2-1. It took us awhile to get started but then we finally got it rolling. You have to give Tulane some credit. They were just outmanned right now. We keep talking about how young we are; they're probably younger than us. Mack Brown does a great job; Tulane will be all right.

I thought their quarterback played well. He's one of the best we've seen. Our quarterback played well too. Darns did a real good job. I don't know the numbers but I think he had a good night. I think he's made it back. Goodness, nobody could have survived that shot he took. I wasn't surprised at how well he played. When he's healthy, he's a pretty good quarterback. Remember he beat some good people last year. ~~XX~~

I was madder at halftime with our defense than with our offense. The defense had a M about going and then at the end of the half, let them get one. It was a mixup. A coach said, 'get their nickel defense ready' and our kid thought he said 'get the nickle defense in the game'.

### TULANE HEAD COACH MACK BROWN

"All the credit in the world goes to Florida State. They came out in the second half and were more physical. They can sure beat you in the kicking game, too. They blocked one kick and did a great job of blocking on the returns.

"To win a game like this, we can't have any mistakes.

"Florida State does a great job of changing up their running and throwing the ball. They're definitely the best defense and the best football team we've seen.

"McManus made a difference for them tonight.

"I don't think it's anywhere near a Georgia game (last year Tulane lost to Georgia 58-3 in Athens). We were never in that one.

"You look out there and we've got freshmen and sophomores playing against a 10-year program. This wasn't an embarrassment, though.

"I think (our players) played as hard as they could. We'll have to see in the films ~~where~~ if any of our players let down in the second half or if they were that good.

"We can't let any distraction take away from what we're trying to do to turn ~~around~~ around this program."
