## Coaches Quotes

### Florida State Head Coach Bobby Bowden

"We got off to a good start and we got to play a lot of people. I thought the defense played hard. They had three or four opportunities to score and only got one. The quarterbacks played well, golly, the receivers made some great catches. The best thing you can say about this game is that we're 3-2-1 and we got to play a lot of people. I can't think of any negatives. We went into the game figuring they ~~would~~ would blitz and they did that all night; they were bringing eight players some times. We had to throw the ball. I thought McManus did better this week; his maturity and leadership really help us. We substituted on the goal line because we haven't been in our goal line defense in a few weeks. Our defensive line needed the work in the 'goal line' plus we wanted to keep them out of the endzone."

### Wichita State Head Coach Ron Chismar

"Well I think anytime you come into this place with the history of what has happened here to a lot of teams in the past you always have the feeling that if you don't hang in here and play well and they get a chance to blow you out; then they'll blow you out. And they did....

This team whipped up on us pretty good and I don't know that there was any phase of the game that we played well in. I knew going into there that ~~we~~ they were a real fine football team and it didn't surprise me when they came out playing like they did. They got what they wanted and we gotta go back and put the pieces together."

Valasco Smith, Wichita State tailback from Tallahassee: "Their defense played well. and when Brian (McDonald) went down it just hurt us. Their blitzes were causing us some problems, but otherwise they did what we expected. I felt like it took me a couple of plays to get warmed up because that's normally what it takes for me. I'm disappointed in the outcome but those things happen."
