FLORIDA STATE HEAD COACH BOBBY BOWDEN

"I was very disappointed with the start of the game. When they have the big play and get down there and score, I thought 'here we go again'. You've got to give credit to Texas Tech for that. The first game is always scary because of all the time the opponent has to prepare. I have to hand it to Texas Tech for doing a lot of things well. Their quarterback did a great job. I would have hated to have played this game in Lubbock.

Danny McManus did a fantastic job. I think the first team offense had noX turnovers and one penalty. That probably won the ball game. You will be surprised at this; I thought our punting was good. We wanted to keep it away from that return man. I was disappointed in the defense in the first half but they played an excellent second half and showed what they were capable of. Maybe that is normal for the first game."

TEXAS TECH HEAD COACH SPIKE DYKES

"I thought Florida State played awfully good. We're disappointed with our performance but Florida State ~~HM~~ had a lot to do with that. I was disappointed with the kicking game and defensive effort. We fired some good shots off in the first half. But in the second half they brought more pressure and blitzed more. We had a good offensive performance against a pretty good defensive team. It was encouraging. We have to build on the bright spots to become a good football team."
